Scouts of the Round Table

Prepare to defend the Valley!

Dear Mohegan Council Scouts, Scouters, and Families,

Scouting is a boys greatest opportunity for adventure. Where else can he run free in the field and stream, hill and valley, without a care in the world? For over 93 years Treasure Valley has been providing opportunities for our Scouts to experience the adventure of Scouting.

This years adventure will take us back to a time of chivalry and bravery, of dragons and knights! Our adventure will lead us on a quest for the holy grail and a journey towards fame and glory. Only the brave pass through these gates! So, pack your suit of armor and prepare for an adventure this summer as our Scouts begin their quest for Scouting glory!

Our goal this year is to provide the Scouts of Mohegan Council with an opportunity to grow as a person through exciting outdoor experiences. Each program is designed to challenge Scouts or provide them with a new experience or learning opportunity. Please take the time to explore our offerings throughout the year.

As you know, we have made it our priority to collect your feedback and address any issues as quickly as possible. We have spent considerable time on improving our communications and informational materials. Please use this guide to help point you in the right direction. Our new website www.TVSRBSA.org was built with the unit leader and parent in mind. We hope it will help you plan your Scouting adventures this year!

See you at Camp!

Cub Scout Programs for Cubs,

Adventure Camp Webelos, and Families.

The most important part of the year,

Summer Camp is the best time of the year! Your Cub Scout will have a blast with a week of fun-filled program in the majestic, woodland forests of the 1,600 acre Treasure Valley Scout Reservation. Take it from the founder of Scouting who said, "A week of camp life is worth six months of theoretical teaching in the meeting room." Camp lets Cub Scouts get hands on and use the skills and knowledge they've learned all year in real and meaningful ways to develop valuable hand-eye coordination, interpersonal, and social skills!

Day Camp

Day Camp is fun! And it's good for your mind, body, and spirit. It helps you learn to rely on yourself—on your own skills and knowledge. When you go camping as a Cub Scout, you get skills you will learn and use more, later, as a Boy Scout. Campers are put into Tribes of those of the same rank, led by a dedicated Staff Guide who will lead them throughout their week to exciting program areas like Waterfront, Boating, BB, Archery, Handicraft, Scoutcraft, Adventure, STEM, Sports, and don't forget the Trading Post! Don't miss out on an unforgettable experience!

Who

Day Camp is for any Cub Scout entering grades one through five in fall 2018, or any girl or boy related to a Mohegan Council Cub Scout!

When

Day Camp is Monday - Friday, 8AM-3PM. An extended day program is available! Closing Campfire begins Friday at 3PM, families invited.

Webelos Under the Stars

WUTS is a special sleep-away program at CSAC just for Webelos! Webelos Under the Stars allows your camper to sleep over at camp under the leadership of a dedicated Guide in canvas tents with supplied cots just like the Boy Scouts! WUTS campers will experience a special program specific just to them, with no two groups alike. Following the Patrol Method, the boys will build a program that is fun and exciting, all while teaching them to work together and rely on each other! Not only does WUTS truly prepare Cubs for Boy Scouting, they even get to tour the Boy Scout side of camp and enjoy one of their meals with them! Campers will sleep in the beautiful Fort Courage campsite overlooking the pond that TVSR continues to improve with your feedback, or those Packs sending large groups may opt for the new unit tenting area!

Who

WUTS is for any Cub Scout entering grades four or five in the fall of 2018!

When

Both half-week and full-weeks are available. All weeks begin Sunday at 2PM. Half-weeks end on Wednesday, the full-week ends on Friday. Closing Campfire at 5PM on the last day.

Family Camp

A whole new camping experience is coming in 2018! During this special resident camp experience for the whole family, parents, Cubs, and siblings will get to have an exciting family experience at camp. Families will get to choose from many open program offerings, enjoy hot cooked meals in a dining hall setting, have fun at special activities, and camp in their own tents - or one of ours.

Who

Family Camp is for Cub Scouts and their families! Cubs must be accompanied by a parent or guardian. Siblings welcome.

When

Wednesday, July 4 at 10AM through Saturday, July 8 at 10AM.

Advancement at camp

While camp is all about fun and adventure, we want to do everything we can to help our units get those requirements that are hard to do at home out of the way! A full listing will be available online as program plans are finalized, but our Program Directors are currently looking at certain aspects of the Aquanaut, Floats & Boats, Whittling Chip, and more!

Order of the Arrow Pachachaug Lodge

For more than 90 years, the Order of the Arrow (OA) has recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as well. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long term resident camping, and providing cheerful service to others. OA service, activities, adventures, and training for youth and adults are models of quality leadership development and programming that enrich and help to extend Scouting to America's youth. Brothers are chosen not for what they have done, but what they are expected to do.

Meaning "Turning Point" in Native language, Pachachaug Lodge was formed in 1957 with help from Arrowmen from then Allogagan Lodge of Springfield. The Lodge Totem depicts the mythical

Thunderbird, the most powerful sky-bird of all. The Lodge has an average membership of 400, hosts three Fellowships per year as well as attends regional and national events.

"Greetings! My name is Ryan Hale, and I am the 2018 Lodge Chief of Pachachaug Lodge. I am beyond excited about the year ahead of us. With so many new volunteers and ideas for our 61st year, I just can't wait to get started. For those of you who are already brothers in our Order, feel free to reach out to either me or one of the two Vice-Chiefs to find out how you can be more involved. I invite you all to our events so you too can have as much fun as I have had so far as an Arrowman in this Lodge. For those of you who have not yet been inducted, remember that the OA was formed as the 'Honor Society of Scouting' and those chosen are done so not for what they have done, but for what they are expected to do. Do your best as you continue down scouting's trail, give your best to your Troop, so that you too can join us in all of our gatherings."
