Red Cross Blood Drive Tentatively Scheduled

The Red Cross of Vermont is working with Green Mountain Council to hold a Blood Drawing at the Centennial Camporee on Saturday in the dining hall. In order to donate Blood you must be at least 17 years old. The Centennial Committee is hoping for a minimum of **100 units for 100 years of Scouting.**

Scouting for Food

Green Mountain Council would like to "give back" to the surrounding communities by collecting non perishable food at the Centennial Camporee.

So we are asking for each Scout and leader, as well as visitors to bring either a can of soup, vegetables or fruit,

or some other non perishable item such as rice, or cake mixes. These food items can be put into the drop box at the Trading Post.

Thank You in advance for supporting the local Food Banks.

Camporee Logistics

When Scouts and Units arrive in Eden they must stop at the Eden Elementary School and park in the school parking lot as No Parking will be available at Mount Norris. Scouts, Leaders and visitors will be shuttled to Mt Norris Scout Reservation. One vehicle per unit will be allowed to transport the unit camping equipment to Mount Norris.

Due to school being in session the arrival time begins after 4pm on Friday October 1st. There Units and Scouts will be checked in, given their registration packet and assigned their camping site.

Scout Leaders should plan on bringing Scout's Medical Forms in case of emergency.

While there will be a concession stand on Saturday and snacks available in the Trading Post, Units and visitors should plan on bringing their own meals.

Youth Protection Training

Due to the BSA requirement that all registered adults and new leaders take Youth Protection Training, it will be provided during the Centennial Camporee. The Course will be administered every hour. Adults will need to indicate that they want to take the training on the registration form so accommodations can be made.
