Herbert H. Adams

Please come to the Worcester City Council Chamber as

HERBERT H. ADAMS

Is honored for his volunteer service to our community.

A World War II paratrooper serving in many historic conflicts including Anzio Beach and the Battle of the Bulge, Herb gives back 'because he is still here when others didn't return'. He is a long time valued member of the Indian Lake Watershed Association's board of directors, has given tirelessly of himself to the Boy Scouts for over 45 years and is ever dedicated to his brotherhood of local Veterans. At 88 years young, Herb can be found on just about any given day (and often ALL day) maintaining the Frosthalm Memorial (across from Strand's Ski Shop), the Hapgood-Brooks Memorial (intersect of Holden/Grove Streets), Morgan Park, Shore Park; clearing overgrowth on city sidewalks; selling poppies to support the Veterans in front of the local supermarket and much, much MORE!!

Please help us fill City Hall as the City Council presents a resolution and key to the City to Herb for his endless commitment to our community.
