

2012 Parental Authorization Form

Mohegan Council, Inc.
Boy Scouts of America
Treasure Valley Scout Reservation

Procedure for the Release of a Camper

Campers may only be released to those on the list of authorized persons that all campers are required to have on file in the Camp Office. If, under emergency circumstances, another person is to remove a camper, the parent or legal guardian of the camper must call and speak to either the Camp Director or the Camp Program Director.

For each camper leaving camp, a camper release form will be filled out and kept on file at the Magee Visitor Center (Camp Office). No campers shall be allowed to leave camp until this form is completed and the identification of the person transporting the camper is verified. Such identification will include legal photo identification such as a driver's license or passport. No camper shall be allowed to leave without the knowledge of the Scoutmaster in camp in addition to the Camp Director and/or Program Director. The Clerk or CQ Staff person on duty will be responsible for checking identification and notifying the appropriate personnel.

Compliance to State Law **Authorized use of firearms by a minor**

The Mohegan Council adheres to all applicable laws and operates under the governance of BSA National Standards as well as MA State Health Code. As a part of the Boy Scout Program the council operates several safe shooting sports ranges for scouts to participate in rifle shooting, shotgun, and archery. In order to meet the Mass General Laws Chapter 140 section 130 the council requires parental permission to participate in such activities. Mass General Laws Chapter 140, Section 130 stipulates the following:

Furnishing Child 15 or older with Rifle, Shotgun and Ammunition

“Nothing in this section shall be construed to prohibit an instructor from furnishing rifles or shotguns or ammunition to pupils; provided however that said instructor has the **consent of a parent or guardian of a pupil under the age of 18.**”

The pupil must be under the direct supervision of a person (the range instructor) holding a valid Firearms Identification Card or a License to Carry Firearms.
