# BOY SCOUT RESIDENT CAMP - 2018

## Camp & Program Overview

Treasure Valley Scout Reservation (TVSR) is a camp full of history and pride. Our beautiful 1,600-acre woodland camping facility spreads across the towns of Paxton, Rutland, Spencer, and Oakham, and surrounds the 89-acre Browning Pond. The camp features 70 miles of hiking and biking trails, a variety of eco-systems and wildlife habitats, nationally accredited summer camp programs for Scouts of all ages, and a night-time view of the sky that will inspire the imagination.

Many thanks go out to the dedicated volunteers who take their time to assist with the numerous events for our Scouts. Without their help, Council support, committed staff, leaders, parents and incredible campers, our programs would not be a success.

**Boy Scout Resident Camp** is our summer camp dedicated to Boy Scouts. BSRC is set on the East side of Browning Pond and is home to multiple programs for Boy Scouts. As we continue our journey into the second century of Scouting, we are constantly thinking of ways to build upon the success of yesterday while preparing for the future.

*"Loyalty is a feature in a boy's character that inspires boundless hope." – Sir Robert Baden-Powell*

### A MESSAGE FROM THE ADMIN TEAM

Dear Campers, Adult Leaders, and Parents / Guardians,

The 2018 camp season is quickly approaching, and we are excited to be able to offer a diverse program that not only serves to gain advancement in the unit, but also to provide valuable outdoor experiences and adventures for our Scouts. This journey builds new friendships amongst Scouts from many parts of New England and beyond. This year, we are excited to announce that our theme for camp is "Scouts of the Round Table".

Getting ready to come to camp, whether you are a first timer, or a camp veteran, can be a difficult and daunting task. What forms do I need? Is camp affordable for my Scout? Will they have fun? Will the experience add to their Scouting achievements and goals? We also realize that Treasure Valley is not the only camp you have to choose from. We want your decision to come to Treasure Valley to be as easy as possible, and this guide is meant to provide you with all the information you will need when coming to Treasure Valley this summer. If we did leave something out, never hesitate to reach out to one of our amazingly dedicated staff at either the camp or the Mohegan Council Service Center. The goal for our staff and volunteers at this TVSR is to ensure that your, and your Scout's, experience is the best it can be.

Atop the entrance gate of Treasure Valley, is the quote, "Through these gates pass the leaders of tomorrow" and it all starts here.

Yours in Scouting,

*Ian Snyder,* Outdoor Program Director

*Patrick Grady,* Reservation Director

*Andrew Bonus,* Program Director

*Aaron Langlois,* VP of Camping & Properties

## OUR MISSION

**Treasure Valley Mission Statement:** It is the mission of the Staff and Volunteers of Treasure Valley Scout Reservation to aid Scouts of all kinds in their discovery of adventure. To provide them the opportunity to develop and display effective leadership and self-governance throughout their lives. And through camping, exploring, and experiencing the outdoors, become the leaders of tomorrow.

**BSA Mission Statement:** The mission of the Boy Scouts of America is to prepare young people to make ethical choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

**Mohegan Council Mission Statement:** The mission statement of the Mohegan Council, BSA is to prepare the youth of Central Massachusetts for future leadership by delivering fun and effective experiences through the Scouting program.

## ABOUT TVSR

Since its founding in 1926, Treasure Valley Scout Reservation (TVSR) has been a renowned leader in **innovative outdoorsmanship**. From the earlier development of provisional programs, junior leader training courses, and Scouting outreach, the camp has been a leader in true Scout camping.

For nearly a century, the camp has provided an exciting program for which Boy Scouts can build their adventure. In addition to Scout programs, the Reservation continues its commitment to Scouting methods and innovation through its recent 8-Megawatt solar farms, providing sustainable energy to the local community, installation of solar lighting in campsites, replacement of worn shingle-roofs with lasting metal ones, and more.

**"Treasure Valley East"**, on the eastern side of Browning Pond, is home to our Boy Scout Resident Camp. There are many campsites complete with solar powered lighting systems courtesy of Worcester Polytechnic Institute, several shooting sports ranges, the Carr Waterfront, and many other program areas.

**"Treasure Valley West"**, on the western side of the pond, caters primarily to Cub Scouts. Cub Scout Adventure Camp is setup on this side with a complete waterfront area, shooting sports ranges, and the new Adventure Area which includes our very popular Ga-Ga Pit! The West Side is our larger side complete with miles of trails including the Mid-State trail and Sampson's Pebble, a popular landmark along the Mid-State, located at the junction of several trails.

In addition, TVSR is open year-round for Council and District events as well as rentals to Scouting Units and other non-profits. We offer several buildings as rental opportunities for units looking for an outdoor location with ample space and resources. Based on availability we also offer many of our summer campsites for rent as well. In addition to summer camp and Scouting activities throughout the year, TVSR provides the venue for a variety of events and activities for non-Scouting groups and is available for rental where applicable.

## TREASURE VALLEY HYMN

Sung to the tune of "Follow the Glean" . Words by William S. Piper.

*There were Scouts in the days of old,  
Pioneering and building trails,  
With hearts that were brave and bold,  
And a Spirit that never fails.*

**CHORUS-**  
*Treasure Valley, we will be true,  
Loyal to you, following through,  
Treasure Valley, show us the way,  
By the Oath and the Law for "Aye!"*

*And loyally one and all,  
We rally from hill and dale,  
From Packachoag's sheltering wall,  
to the camp beyond Boonesville Plain.*

**CHORUS**

## TRADITIONAL TROOP CAMPING

Most Scouts will attend camp with their Boy Scout troop. Troops from across New England and beyond choose a week of camp that best suits their unit, and attend camp that week, checking in on Sunday, and departing on Saturday. The Troop and Patrol leadership is always in control of their Scouts, and are free to utilize the resources made available at Boy Scout Resident Camp to develop a program that best suits their Scouts.

## PROVISIONAL CAMPING (THE MOHEGANS')

Scouts are welcome to attend camp any week they choose to, by themselves. Treasure Valley recognizes that not every Scout comes to camp with their unit, and some want to come back for another week! Scouts are welcome to come on their own without their unit as a "provisional". We put these Scouts together in a unit called "The Mohegans." They stay together and by the end of the week it's as if they have been together since the start of their Scouting journey. Our fun and engaging college-aged staff members act as their adult leaders during the week, and ensure that Scouts are taken care of throughout the week. Scouts that come provisionally are strongly encouraged to take part in the respective 'specialty week' described further on.

## COUNSELOR IN TRAINING (CIT)

The Counselor In Training program is an introduction to camp staff while still giving a learning and camping experience.

The first week of the CIT program is known as 'Training Week.' This occurs during the 2018 TVSR Staff week June 22<sup>nd</sup> (Friday) until June 28<sup>th</sup> (Thursday). During this week, CIT's attend many of the same trainings that the camp staff go through as well as a few of their own to learn side-by-side with the camp staff how to be an effective staff member. In addition, they rotate through the areas in camp helping the staff set up the area as well as get a first-hand experience of how staff prepare to and practice teaching their badges for camp. The overall goal of the week is for the CIT to come out of training week with a new understanding of camp from the operational perspective and prepares them for their field week(s) throughout the summer. **Note this is the ONLY Training Week for CIT's, therefore any Scout interested in the CIT program should mark June 22-28 in their calendars!**

During program weeks CIT's spend their time in the field working with staff in program areas and getting the experience of what it's like to staff an area. Field Week A is the first fielding week where the CIT rotates throughout the week to every area in camp (including a rotation to the Cub Scout side) spending 1 morning or 1 afternoon program session assisting in that area. Field week B is any additional field weeks and are when each CIT chooses their 2 favorite program areas and works in those areas throughout the week (ex. Mornings at BSI and afternoons at the waterfront). For each additional field week, CIT's can and are encouraged to choose 2 different areas to get the full experience of working there.

In addition, CIT's in the evening will assist in various activities, evening programs, and enjoy CIT exclusive programs, such as a CIT opening and closing campfires on Sunday and Friday nights respectively. CIT's reside in the Arrow CIT Training Center (formally where the BSI and ECON program areas have been), under the direction of our experienced CIT Director. The CIT Program is not limited to the Boy Scout Resident Camp. We operate under a Reservation staff system with multiple camps and programs happening simultaneously as our Cub Scout Adventure Camp is located on the West side of Browning Pond, Boy Scout Resident Camp is located on the East side.

CIT's must be at least 14 years of age or older and be able to commit to a minimum of 2 weeks in the CIT program. The CIT Program costs **\$175** flat for all weeks attended which includes housing and all meals as well as 1 CIT polo. **Register online at [www.TVSRBSA.org/CIT](http://www.TVSRBSA.org/CIT).**

# BOY SCOUT RESIDENT CAMP - 2018

## Before Camp

### REGISTRATION

All camp reservations are done through Tentaroo, our online camp management system. A deposit of \$25.00 per camper is due at the time of registration. For placing a reservation for a specific campsite, the deposited amount must be for a number greater than or equal to 40% of the site's occupancy. For example, if a site has an occupancy of 40 persons, 40% of that is 16 persons, times \$25.00, is \$400.00. Site capacities are listed on Tentaroo and at [www.TVSRBSA.org/Facilities](http://www.TVSRBSA.org/Facilities).

#### Tentaroo

All the programs at TVSR have registration and tracking through Tentaroo. This is a third-party service that the Mohegan Council utilizes to administrate camp registrations and facility rentals. It is subject to periodic updates, downtime, and the like. While improvements are constantly being made, the implementation of the system has increased camp efficiency dramatically.

Because the system is always being improved, for registration details, information, and walk-throughs see [www.TVSRBSA.org/Registration](http://www.TVSRBSA.org/Registration).

#### Provisional Camper Registration

If you are registering a Provisional Camper, you must create an Individual/Family account on Tentaroo. Provisional campers cannot be registered using a Unit account. Families can create an Individual/Family account at [Mohegan.Tentaroo.com](http://Mohegan.Tentaroo.com). Follow instructions found at the URL above.

#### Merit Badges

All classes, both special activities and programs, as well as Merit Badges are scheduled online on Tentaroo. While it is not required that you are registered for a class before arriving to camp, it is highly recommended that you plan and reserve your schedule in advance to ensure your spot in your programs as some classes and activities are very limited. If a class fills up, it will no longer be available for registration on Tentaroo and not be seen. An opportunity to register for programs in-person will be available at the Sunday evening Find Out Fair.

**Treasure Valley does not issue traditional Blue Cards.** An advancement report is provided online on Tentaroo for you to retrieve at any time after camp. Tentaroo has the ability to print 'Blue Cards' if desired for presentation. It should be noted that all advancement and recognition in the BSA is at the discretion of the Unit Leader – the Blue Card or Tentaroo Advancement Report are both methods of recording *completed progress*.

Reports are available under the account that registered the Scout for the class.

### CAMPERSHIPS

It is the policy of Mohegan Council to make sure that all Scouts have the chance to benefit from the programs offered at Treasure Valley. Should a Scout's family be in a financial situation where assistance is needed, they may apply online at [www.TVSRBSA.org/Camperships](http://www.TVSRBSA.org/Camperships). The deadline for campership is March 15, 2018 at 11:59PM. **No exceptions.**

# BOY SCOUT RESIDENT CAMP - 2018

## FORMS

- ✓ All Scouts and adults staying at camp are required to arrive to camp with a completed **BSA Medical Form Parts A, B, & C**. **Physical exams cannot be given at camp.**
- ✓ Scouts also must have the online **Parent Authorization Form** completed prior to arriving at camp.

Both forms can be found at [www.TVSRBSA.org/Downloads](http://www.TVSRBSA.org/Downloads)

## PRE-CAMP MEETING

A pre-camp information session will take place in June. It will be held at Treasure Valley in the East Lodge. This meeting is for all the summer's weeks. Staff will go over some of the key policies and pertinent information to ensure that everyone is ready to begin their week of camp. Please bring all your questions to this event. Youth leadership is encouraged to attend.

## HOMESICKNESS

Homesickness can be a very real issue at camp, especially for first time campers. Campers should seek out their Patrol and/or unit leadership if they are feeling homesick. Provisional campers should seek out their Provisional Scoutmaster staff members. Camp staff are always available to talk to campers.

It is important that your child knows what to expect at camp. Talks with other campers who have been to camp or seeing pictures from our Camp Gallery at [mohegan.smugmug.com](http://mohegan.smugmug.com) is a great way to prepare your Scout for camp.

Homesickness appears not just in first-time campers, but in the oldest ones too. Our staff are trained to spot signs of homesickness and will work with them to the best of their ability to get them refocused on the adventure at hand. The worst thing that can be done is giving a camper the option of an early departure – admitting defeat will make it that much harder for him to return in the future.

**While the camp will do everything it can to see that a Scout completes his experience, if a camper is inconsolable or poses an extreme burden on camp resources, his family will be contacted.**

# BOY SCOUT RESIDENT CAMP - 2018

## PACKING LIST FOR BSRC

Campers stay in two-person canvas cabin-tents on wooden platforms. Each camper is provided with a canvas cot. Any personal clothing, equipment, and accoutrements, campers are responsible for bringing. It is in a Scout's best interest to label all their personal belongings as it makes finding lost items easier.

A Scout is prepared, but just in case, here's a list -

### Things to bring:

- ✓ Official BSA Field Uniform
- ✓ Scouting appropriate clothing for the week
- ✓ Underwear
- ✓ Socks
- ✓ Sneakers/hiking shoes
- ✓ Sweater/sweatshirts
- ✓ Rain jacket
- ✓ Swimwear (suit & towel)
- ✓ Sleeping pad
- ✓ Sleeping bag or blankets
- ✓ Pillow
- ✓ Scout handbook
- ✓ Flashlight
- ✓ Water bottle
- ✓ Toothbrush & paste
- ✓ Soap & shampoo
- ✓ Deodorant
- ✓ Spending money
- ✓ Mosquito netting & poles
- ✓ Notebooks, pens, and pencils
- ✓ Insect repellent
- ✓ Sunscreen
- ✓ Merit badge pre-requisites
- ✓ Other items at the discretion of your unit leader

### Things not to bring:

- Aerosol spray cans
- Things of value that may break
- Alcohol & tobacco
- Personal firearms
- Pets
- Other items at the discretion of your unit leader

The lighter the Scout packs, the easier time he will have. It is very easy to over-pack for camp. Extra clothing is essential to a comfortable camp experience. While not necessary, small battery powered fans with built-in lanterns can be easily found at many outdoor suppliers. Keep in mind that tents are not fully enclosed, bug netting is recommended but not required. Poles are not provided. **All campsites are now equipped with canvas cots, it is strongly suggested that all campers bring a good sleeping pad.**

## The Program

### DAILY SCHEDULE

Boy Scout Resident Camp is designed to allow Scouts to have an unforgettable week. Balancing fun, adventure, and achievement through Treasure Valley's innovative outdoorsmanship, patrol-centered programs, and exciting special activities and events. Scouts & Units arrive Sunday afternoon and depart Saturday morning.

A big part of the program is the ability to take and earn Merit Badges while at camp. There's always new badges to choose from! The daytime program is broken into five program blocks, the fifth of which is our *open program block* where most of the classes offered are focused not on Merit Badges, but special awards, activities, and adventures. There's still some badges offered then though for those trying to fill their sash!

Evenings are jam packed with exciting special activities being put on by various program areas including the infamous *swamp romp*, or the dutch-oven deep-fry.

7:45AM	8:00AM	9:30AM	10:30AM	12:00AM	12:30PM	1:30PM	2:30PM	3:30PM	5:00PM	5:15PM	6:00PM
Morning Flag	Breakfast	Program 1	Program 2	Lunch	Siesta	Program 3	Program 4	Program 5	Evening Flag	Dinner	Evening Program

### SCOUTMASTER'S COFFEE

A daily conference with the Program Director is held in the Scoutmaster's Lounge at **9:45AM**. Each unit in camp should have a leader in attendance to receive important information, updates, and can ask questions or discuss any problems they may be having.

### SPL MEETING

A daily conference of Senior Patrol Leaders will be held at **1:00PM** on the back porch of the East Lodge with the Program Director. SPL's should make sure to attend daily to receive important program information, updates, ask questions and to resolve any issues had.

### FLAGS & ANNOUNCEMENTS

Each day our staff proudly raises and lowers the flags on the Boonesville Plains. We encourage all Troops to join us for all Flag ceremonies. The Pledge of Allegiance is said each morning and the Scout Oath and Law are recited in the evening. All announcements are made at Flags except for mid-day announcements which are made at Lunch in the Dining Pavilion.

### RELIGIOUS SERVICES

A Roman-Catholic Mass as well as an All-Faith Service are held Sunday Evening at Chapel Point to allow campers to practice reverence and duty to God. Chaplain Aid training is also offered each week for those who are interested.

# BOY SCOUT RESIDENT CAMP - 2018

## PHILOSOPHY OF TVSR PROGRAM

The program at Treasure Valley is not meant to replace the program of Troops and Patrols, and is merely meant to supplement Troop program by adding skilled instruction to the types of fun, adventure, and achievement that are only readily available at camp. Treasure Valley strives to be a summit experience for boys, and our program should be used to build on the ideas and skills that are instilled on the boys throughout the year. Our Staff are dedicated to leaving behind the classroom and making all program hands on, entertaining, and informative.

Boy Scout Camping as such is not a program separate from the normal operation of the troop back home in the church basement and at the camp-o-ree. Troops go to camp to have fun, do advancement work, but most important, they go to camp to strengthen themselves as troops. A troop which goes to camp as a unit under its own leadership and operates in the scouting manner comes home a much stronger and healthier unit.

As you know, the heart of the scouting method is the use of patrols. The idea that a troop is just a mass of boys is not a part of scouting. Each troop has or should have its boys organized into patrols back home; when it goes to camp it should not forget this organization. It should strive to strengthen the patrol method by having the boys through their patrol leaders and senior patrol leader run their own program. Not only that, the troop should seek out activities where the patrols can function as patrols under their own leadership. Only by doing these things will the troop come home from its stay at camp a better troop, using the Scouting method.

## MERIT BADGE PROGRAM

TVSR offers a wide variety of merit badges for Scouts to enroll in. A Scout should take some time while deciding what badges they wish to take. Some badges may have extra materials needed, have age requirements or additional fees. Some merit badges will require additional work that cannot be done while at camp.

A Scout is prepared and should always read over the requirements of a badge before deciding that they wish to take it.

A "Merit Badge Prerequisites" sheet can be found at [www.TVSRBSA.org/Downloads](http://www.TVSRBSA.org/Downloads) along with the 2018 Merit Badge Schedule.

## OPEN PROGRAM BLOCK

The fifth block in our schedule is our "open program block". During this time, our program areas will be offering fun, adventure-type activities. Activities, such as snorkeling, paddle boarding, paintball, metalworking, etc. are the types of things to expect. This is also a great time to drop by areas to work on requirements, in a more open, free setting. This is also a time for patrol-centered activities and competitions that will be offered throughout the week.

## EVENING PROGRAM

This time is meant to be relaxing and fun. We offer awesome ways to wrap up a busy day at camp. We offer various campfire programs throughout the week, movie nights, trivia night, etc.

### Camp Wide Program

Scouting is all about the Patrol Method. We love to see troops and patrols show cooperation and teamwork! To accomplish this, we offer camp wide activities, such as the Magee Day Games, War Canoe Races, Capture the Flag, etc.

A detailed program schedule of special events and activities is available at [www.TVSRBSA.org/Downloads](http://www.TVSRBSA.org/Downloads).

# BOY SCOUT RESIDENT CAMP - 2018

## DINING

All meal service for campers at Boy Scout Resident Camp is held at the East Camp Dining Pavilion. Each meal at camp begins with a grace, and is closed with a song and the long-standing Treasure Valley tradition of *Gung-Ho*, a series of calls and responses, chants, and songs. Meaning "Work Together", Gung-Ho was a cheer brought back to camp by staff members serving in World War II, to get the camp back into the spirit of the day after a meal. SPLs may be asked to provide a grace, song, or skit leader for a meal. **BSA Field Uniforms are worn for dinner.**

Our in-house kitchen staff are flexible and can accommodate those who have dietary restrictions. All menus are approved by a dietician, and alternative options such as cereals and PB&J are always available.

## THEME

The 2018 theme of Treasure Valley's programs is *"Scouts of the Round Table!"* The Knights and Castles theme will be incorporated in all camp wide events, including the opening Campfire, Magee Camp Wide Games, and Troop and Patrol Activities. All troops and Campers are encouraged to take part in the theme by dressing in costume, decorating their campsite, and incorporating the theme into games and skits.

## CAMP AWARDS

A huge portion of the Scouting program is recognition. And rightfully so, as Scouts accomplish incredible things at camp. TVSR is sure to recognize Scouts who do such things.

### Area Awards

At the end of the week each area presents an area award to a camper who has stood out to the staff in the area as going above and beyond. Our staff look for campers who are knowledgeable in their merit badges, enthusiastic about open program, and/or exhibit great Scouting values.

### Honor Camper Award

This award allows troops to be able to recognize Scouts in their troops that have gone above and beyond during their week at summer camp. Reasons for nominating a Scout can include being an effective Senior Patrol Leader or Patrol Leader for the week, going out of their way to help younger Scouts in their troop, or any other reason that makes them stand out. Troop leaders can nominate 1-2 Scouts from their unit.

### Honor Unit Award

This award recognizes a unit that is highly active in most of our summer camp programs! This includes requirements, such as participate as a unit in 3 camp-wide activities, perform a skit or song at the Wednesday campfire, maintain a safe and clean campsite, and many more!

### Baden Powell Patrol Award

This award, named after Scouting's founder Baden Powell who believed heavily in the patrol method, recognizes patrols who complete the 8 requirements of an active patrol at camp! These include 1) Scout Spirit, 2) Patrol Meetings, 3) Activities, 4) Service Project, 5) Advancement, 6) Membership, 7) Uniform, and 8) Patrol Leaders Council.

### Golden Broom Award

New for 2018, each day the Camp Commissioner will be conducting general campsite inspections to see which troop has the best-kept campsite! Categories include tents, fire protection, troop/patrol equipment, hard shelter/cook area, latrine, campsite/health/safety, theme incorporation, and vehicles in campsite. The winning campsite each week will receive the coveted golden broom award, the real treasure of Treasure Valley!

# BOY SCOUT RESIDENT CAMP - 2018

## FIRST-YEAR AND OLDER BOY PROGRAMS

TVSR realizes that as Scouts age, their interests change, they become more adventurous, and outgoing. TVSR offers plenty of programs to accommodate them.

### Brownsea Island

TVSR's first-year camper program for Boy Scouts takes its name from the location of Lord Robert Baden Powell's first ever Scout outing. Beyond just the name, our BSI area hopes to emulate the sheer excitement and passion for Scouting methods exhibited at Brownsea in 1907. Our approach to teaching beginner Scouting is built from the ground up to revolve around the patrol and EDGE methods. Our four weekly BSI patrols rotate between two skilled instructors who guide them through not just Scouting skills, but how they can best take advantage of what Treasure Valley has to offer.

At the end of the week, we commemorate the Scout's achievements with a graduation ceremony on Pine Point. Throughout the week, we evaluate the scouts on a 1-5 scale and share the results with Scoutmasters throughout the week, accompanied by constructive comments by our staff.

### Project COPE

A program of the Boy Scouts of America for older Scouts, **Challenging Outdoor Personal Experience** is an all-week, half-day program that tests your confidence in yourself and others. It consists of group initiative games, trust events, and high and low ropes course. Some activities involve a group challenge, while others develop individual skills and agility. Participants climb, swing, balance, jump, rappel, and devise solutions to a variety of problems.

Project C.O.P.E is based on the principals of **communication, planning, trust, teamwork, leadership, decision-making, problem-solving, and self-esteem** and is the perfect challenge for any older Boy Scout.

# BOY SCOUT RESIDENT CAMP - 2018

## SPECIALTY WEEK PROGRAMS

These are programs that you cannot find at every Boy Scout Camp. They are for the Scouts that may not want the standard camp experience. They may not want to just take merit badge classes. These programs offer new experiences, some exclusive to the Scouts in these programs. Some of them require a higher level of commitment, but Boy Scouts are rewarded with experiences that they will never forget and that they can't get elsewhere. Treasure Valley has something for everyone!

Specialty Week programs are week-long programs that combine traditional program features of Boy Scout Resident Camp, combined with added intensive programs available only during those weeks. The Specialty Week program is a feature of *The Mohegan Patrol* experience and registration will be first-come-first-serve with a priority to these provisional campers.

Find more information about Specialty-Week Programs at [www.TVSRBSA.org/Mohegans](http://www.TVSRBSA.org/Mohegans).

### STEM Week

Scouts with an interest in STEM (Science, Technology, Engineering, and Math) topics will have a week-long program dedicated to earning the NOVA awards and STEM based Merit Badges unique to the program and only offered during this week. The Focus will be on tasks to complete the NOVA awards, and to provide resources to work toward STEM focused Merit Badges and SuperNOVA awards.

### Shooting Sports Week

Scouts attending camp this week will be able to delve deeper into BSA's shooting sports offerings. In addition to having the opportunity to earn the Rifle, Shotgun, and Archery Merit Badges, Scouts will also participate in an advanced version of TVSR's paintball course, shoot black powder rifles, and partake in BSA's new **Pistol Shooting program!**

### Aqua Scouts

Browning Pond is one of the greatest assets of Treasure Valley, so spending a week on the water is an easy thing to do. Scouts will not only be able to partake in TVSR's usual aquatics merit badges, but also earn awards, like the BSA Mile Swim, Stand Up Paddle Boarding, Snorkeling, and Scuba Diving. New to the waterfront Merit Badge line up in 2018 is Motorboating, and Scouts attending during this week will earn it on a high-speed performance craft!

### Kodiak Adventure

Treasure Valley's Trek Program, Kodiak Adventure, is only for the most daring of Scouts. Spend your week traveling the backwoods of Treasure Valley and explore places that most people have never seen. Throughout the week you will have the opportunity to backpack to places like Beech Canyon, canoe across the other body of water on the property, Heron Marsh, and build a tree fort in the long-forgotten Kodiak campsite. This program is an all week program, meeting on Monday and Tuesday at the Scoutcraft area to prepare for the trek. Trekkers will set out on Wednesday and return to the main area of camp on Friday.

### Trail to Eagle

Are you a Scout who is going to be 18 soon, or just ambitious to wrap up those Eagle-Required Merit Badges? Join with others on the trail to Eagle and work on completing those Eagle-Required badges, and have fun doing it! Eagle week specific badges are offered this week only and include the 3 Citizenships, Communications, Personal Management and more! Registration for this program is first come first serve and can be registered for just like any other class via Tentaroo.

## Camp Program Areas

### HANDICRAFT

Scouts can explore a wide array of interests at handicraft. The area is home not only traditional handicraft badges like Woodworking, but also technical badges, like Plumbing, Welding, and even STEM badges like Programming, and Game Design! Whatever your Scout's interest, this area has got something for them!

### COPE

Everyone likes to gaze upon our climbing course as you drive into camp. This is the area where you get to see the view from atop of our COPE tower. The COPE program is designed to challenge Scouts, to test their limits, and to work together to tackle any obstacle. Offering both an older boy program as well as a merit badge.

### SHOOTING SPORTS

This is the area where Scouts can imagine what it would be like to be Robin Hood. Shooting a bow and arrow, become a marksman with a rifle, or find out what it is like to shoot a .12-gauge shotgun. TVSR provides additional shooting sports activities ranging from black powder gun shooting, to tomahawk throwing, and even paintball.

### SPORTS & SAFETY

Our brand-new Sports Area and Sports Field are backed up by a wide array of merit badges and experienced staff. Scouts of all ages can enjoy playing sports in a safe environment while learning about fitness and first aid. Because our Sports & Safety Staff takes a hands-on approach to all activities, every class at Sports and Safety incorporates a game or activity into each lesson that keeps campers engaged while they learn the skills required to earn the specific merit badge. Our Sports staff looks forward to giving you new experiences and new knowledge in both the classroom and on the field!

# BOY SCOUT RESIDENT CAMP - 2018

## WATERFRONT

Treasure Valley boasts one of New England's finest waterfronts. Situated on 89-acre Browning Pond, Carr Waterfront is a fun-filled swimming and boating area where Scouts and Scouters alike can experience exciting activities such as climbing the iceberg, kayaking, or stand-up-paddle-boarding. Scouts have many opportunities to advance their knowledge through the trainings and merit badges offered in the area. Our Waterfront staff are knowledgeable and take safety extremely seriously. TVSR's waterfront is the best place in camp to have some fun, learn something new, and cool off!

## SCOUTCRAFT

Scoutcraft not only makes Treasure Valley a true Scout camp, but also a big part of what sets it apart from other camps. Although pioneering may just be a badge at other camps, we take it upon ourselves to demonstrate exactly what pioneering can create. Making it an essential part of our program, filling the area with elevated bridges, platforms, seating and hammocks to create an atmosphere that motivates Scouts to see the awesome side of Scout skills. Our "Chill Zone," composed of hammocks, benches and swings, takes merit badge classes out from under the teaching tarp and into a more open, inviting, and fun environment that enables more relaxed and engaged participation.

Along with other Scout skills, the area prides itself on being dedicated to making its cooking program the best it can. From cookoffs to deep-frying, the Outdoor Skills staff encourage Dutch Oven skills inside and outside the merit badge class. Our pioneered wash station, pop up kitchen, and Dutch oven table all enable instructors to deliver a high-quality program in a unique camp kitchen. Combined with other offerings, including geocaches around camp, multiple orienteering courses (both Score-0 and Cross Country), and a wilderness survival outpost- we truly believe we have created the best Scoutcraft area in New England, with only more improvements to come.

## ECOLOGY AND CONSERVATION

Our Ecology and Conservation area, known as ECON by most campers, is all about learning about the natural world through hands on experiences. Treasure Valley's ECON cannot be compared to Nature Areas at other camps due to the vast resources available to our campers and staff. Our two solar farms, producing 8-Megawatts for over 600 local homes, gives campers a real-world view of how renewable energy is created. Our sustainable farming program puts campers in the field planting seeds, harvesting crops, and caring for our chickens and new to 2018, goats! Treasure Valley is also home to diverse wildlife that allows campers to learn about numerous species by seeing them in person. Whether you are getting muddy at the Swamp Romp, up early for a Bird Hike, or interacting with the goats, you will love ECON!

# BOY SCOUT RESIDENT CAMP - 2018

## Order of the Arrow

The Mohegan Council's camping honor society, Pachachaug Lodge is very active at Treasure Valley, and there are many opportunities for arrowmen to get involved while staying at camp.

### OA DAY

Each Tuesday at Camp is OA day. All members of the OA are encouraged to wear their sashes throughout the day and to fulfill their vow to promote the ideals of brotherhood, cheerfulness, and service.

### HOUR OF SERVICE

Troops may give back to camp by participating in the OA's Hour of Service on Tuesdays. This service allows Scouts to help keep the property in tip top condition.

### ICE CREAM SOCIAL

As a reward for the Hour of Service, all troops who participated are invited to the OA's weekly Ice Cream Social.

### SASH MEETING

A chance for Members of the OA to connect, have fun, and discuss upcoming events. Members of all Lodges are invited to attend Tuesday nights.

## Camp Staff & Volunteer Organizations

### TREASURE VALLEY CAMP STAFF

TVSR has a vast array of staffing opportunities for young adults looking to join our highly recognized and qualified camp staff. There is information available at [www.TVSRBSA.org/Staff](http://www.TVSRBSA.org/Staff).

TVSR is always looking for enthusiastic, spirited, and dedicated persons, who are willing to dedicate their summers to the betterment of the Scouting program.

Applications for Summer Camp season are being accepted! Applicants should fill entirely the Camp Staff Application and return it with any other ready materials to Mr. Ian Snyder, Director of Outdoor Program at 19 Harvard Street, Worcester, MA 01609 as well as begin the Character Reference process by following the instructions on the Character Reference Form. All new camp staff are required to have 3 character references on file before the hiring process can begin. Once received and reviewed, an interview will be scheduled. Should the Reservation Directors feel that employment at camp would be a good fit for the applicant, a proper placement in one of our many programs from Boy Scout Resident Camp to Cub Scout Adventure Camp will be determined.

1. Completed Staff Application is received by the Director of Outdoor Program.
2. Three positive recommendations are received.
3. Applicant is interviewed by the Reservation Directors.
4. Applicant provides completed, signed CORI & SORI forms, as well as Boy Scouts of America membership application (if not already registered).
5. Background checks are performed according to the mandated policy of the Commonwealth of Massachusetts to determine eligibility.
6. Seasonal Contracts are sent to applicants being offered a position on the camp staff by the Reservation Directors.
7. Completed seasonal work agreements and other required paperwork are returned to the camp to indicate your acceptance of the position offered.

*Camp staff positions are open to all person's ages 15 and over, male and female. Prior participation in the Boy Scouts of America program, while helpful, is not required.*

# BOY SCOUT RESIDENT CAMP - 2018

## SCOUTMASTER VOLUNTEER CORPS

Boy Scout Leaders and Adults staying at camp during the week are always welcome to visit program areas and check up on their Scouts. If they are looking for something more however, we recommend they join the Volunteer Corps. While out for the week, Unit Leaders can join the TVSR Ranger Crew in carrying out a meaningful project in camp that can make a difference in our on-going effort of improving the camp.

Not only is the coffee always hot at the Ranger Shop, but who doesn't love a good patch? Boy Scout Leaders who join the Volunteer Corps will be recognized at the closing ceremony with a commemorative patch.

## FRIENDS OF TREASURE VALLEY

The Friends' are a group of dedicated alumni and friends who volunteer their skills and time to help maintain Treasure Valley Scout Reservation. The group was organized in 1994 by Clifford Anderson and Al Swenson. Still going strong, members work with the camp ranger to complete multiple projects throughout the year.

According to Cliff, "The ranger can't do it all by himself. Treasure Valley's a big Scout camp and there's always a list of things to do. We give the ranger a hand and enjoy the camaraderie of each other's company. Some of the guys have a history with Scouting but others just like to help and enjoy time spent at the camp. We feel good about what we accomplish, and we pace ourselves – if some of us can't work in the cold, we don't – there will be more jobs to do when it warms up."

The Friends of Treasure Valley meet at the Training Lodge at camp every other Wednesday morning. All are welcome to join. For more information about how you can become a Friend of Treasure Valley, see [www.TVSRBSA.org/Alumni](http://www.TVSRBSA.org/Alumni).

## Camp Policy & Information

### ARRIVAL AND DEPARTURE

#### Sunday arrival to camp

Boy Scout unit check-in begins no earlier than 12PM on Sunday. All accounts must be paid in full before the check-in process can begin. Units can stage themselves in Jamboree Field until they are assembled and called in, however only two vehicles per unit may enter camp property past Jamboree Field to ensure clear camp roads and the efficiency of the check-in process.

A staff member Troop Guide will escort troops to the Magee Health Center for med checks, to the unit's campsite for setup, the Dining Pavilion for a dining orientation, and to the Carr Waterfront for Swimchecks. **It is recommended that Scouts arrive to camp in a bathing suit.**

#### Visiting camp

To ensure the safety of the campers, any person entering or leaving camp outside of the initial check-in time, must sign in and out at the King Office. Parents may pick-up or drop-off their Scouts during the week, but must notify the Camp and the Unit Leader ahead of time.

#### Saturday departure of camp

The same guide that guided the unit through check-in, will also guide them through check out. Simply notify the guide Friday evening what time the troop would like to be checked out on Saturday. We recommend you check out with them before breakfast. They will go through the campsite, take note of any damage, and make sure everything is in order. Breakfast on Saturday is rolling style, meaning you can come in any time, sit down, and eat. The health officer will be at breakfast with all the troop's medical forms, and any medications the unit brought. If the unit does not plan to attend breakfast, they should notify the health officer ahead of time, to make sure they leave with their forms. At 9:00AM the final flag ceremony takes place on Boonesville Plains, awards are given out and units say goodbye to the camp staff.

**Note on check-out:** All personal gear must be packed up and OUT OF TENTS before the staff guide can begin the check-out inspection process.

#### Provisional Check in and Check Out:

If your Scout is staying outside of your unit, as a provisional, don't worry, as the process is very similar. All provisional Scouts will arrive at the Jamboree field at 11:30am on Sunday. They will be greeted by their Provisional Scoutmaster staff, and the camp will provide transportation of gear to their campsite. Staff will walk them through the check in process as if they were their own unit, and the staff member will act as their Scoutmaster for the week. When a parent/guardian/leader drops their provisional Scout off at Jamboree Field, they should be sure that their Scout has all their paperwork ready for check in.

Check out is a simple process as well. When the parent/guardian of the Scout arrives, they should check in at the King Office and tell the clerk who they are, and who they are here to pick up. The Clerk will notify the Provisional Scoutmaster and will arrange for you to meet them in the site, where the Scout's gear can be packed up, forms will be given back, and you'll be on your way.

### LEAVING CAMP

Campers must have parental permission to leave camp at any time. Parents may designate which individuals their camper may leave camp with on the medical form/parent authorization form. Individuals must sign out at the camp office.

# BOY SCOUT RESIDENT CAMP - 2018

## PICTURES

A Troop photo will be taken during one of the evenings of camp by the camp photographer. We will announce what evening before hand so that Troops can dress however they like. Print and digital copies will be available online.

Camp photographers will also be taking pictures throughout the week of Scouts participating in program. These pictures will be available on SmugMug, [mohegan.smugmug.com](http://mohegan.smugmug.com)

## LOST AND FOUND

The camp has lost and found bins throughout camp, should a camper misplace one of their items. These places are at Magee Health Center, Waterfront, and the Dining Pavilion. At the end of every week, it is consolidated to the Magee Health Center. At August 15, all items in the lost and found will be disposed of.

## BIKE POLICY

TVSR is proud to be one of the few camps that allow bikes to be ridden around throughout the week. When you check in to camp, your designated site guide will do a bike inspection to check the following.

- ✓ Front and rear brakes exist and are in working order
- ✓ Bike is an appropriate size for the rider
- ✓ Helmet is not cracked and of an appropriate size for the rider
- ✓ Tires have an appropriate air level and tread

Bikers are to follow all the speed rules posted around camp. Bikes are only permitted on the main roads, not the side trails, unless accompanied by a counselor in a class. For the safety of all, if rules are not followed, camp leadership may limit or prohibit a bike to be used.

## MAIL

Campers can receive mail any time throughout the week! Letters and items should be mailed one week prior to the recipient's arrival at camp or be given to the Program Director on the day of check-in. Mail will be delivered each evening.

We ask that you refrain from including family pictures or statements like "we miss you" as to avoid homesickness. Empowering statements about how proud you are of him and can't wait to hear about his experiences are perfect.

The camp is not responsible for lost or misplaced mail. Our staff do their best to get mail to the correct individuals in a timely manner, but their priority is always the camp program and safety of campers.

### Mail should be addressed as follows:

Treasure Valley Scout Reservation  
c/o "Scouts Name, Troop #, BSRC

Rutland, MA 01543

## COMMUNICATION

### Telephone

In the case of an emergency, or if you need to speak with camp administration, please call the King Office at 508-886-2213. Our staff will contact camp administration via two-way radio.

### Website

Documentation, forms (including this Leader and Parent Guide), current contact information and more is available at [www.TVSRBSA.org](http://www.TVSRBSA.org). This website will have the most up-to-date information on camp, scheduling, and more.

### Camp e-Mail

There are many dedicated staff members to answer your questions. To find the person who can best help your inquiry, please visit [www.TVSRBSA.org/Contact](http://www.TVSRBSA.org/Contact), where you send messages to your camp administration and find valuable information.

## WAR CANOE RACE RULES

These are the rules, but remember it's about fun!

1. All participants must be under the age of 18 to participate in the war canoe race.
2. The team that shows up to the waterfront for the war canoe race first gets first pick of war canoe.
3. A full team must consist of a minimum of 10 participants up to but not exceeding 14 participants.
4. The canoe to first pass the green stand up paddleboard dock fully is the winner.
5. In the event of a two heat race the winner will be determined by the fastest time.
6. In the event of a collision/capsizing the team at fault will be disqualified, while the rest of the racers will reset for a redo.
7. Following the race, the boat that is closest to shore will unload first.
8. Sportsmanship is key and if any spectators or racers are found being unprofessional or rude they will be asked to leave.
9. The Waterfront Director has final say in all matters related to the race.

## REFUND POLICY

Refund requests must be submitted to the Mohegan Council Service Center (19 Harvard St. Worcester, MA 01609) at least two weeks prior to the start of the camp week for which you have registered. Refunds will not be given for cancellations after this date except under extenuating circumstances (serious illness, family death, summer school, custody issues, and reasons that don't involve choice). Fees may however, be transferred from one Scout to another within the same unit (coupon excluded). Many expenses occur six weeks prior to the start of camp so the Mohegan Council reserves the right to withhold an administration fee of \$50.00 for any refund given.

You can find the Refund Request Form at [www.TVSRBSA.org/Downloads](http://www.TVSRBSA.org/Downloads).

## CONTROLLED SUBSTANCES

Possession or use on camp property of alcohol, or any drug or medicine prohibited by law is strictly prohibited. Camp management will not hesitate to involve local law enforcement as necessary and will remove the party from camp grounds.

# BOY SCOUT RESIDENT CAMP - 2018

## TOBACCO PRODCUTS

There is no smoking in the presence of Scouts. Smoking is limited to the area between the main gate and King Office given no Scouts are within the area.

## FIREARMS AND ARCHERY EQUIPMENT

Personal firearms and archery equipment are not allowed in camp. Law enforcement not on duty must lock their firearm in their vehicle.

## FIREWORKS

Fireworks are illegal in Massachusetts and are not allowed in camp.

## HARASSMENT/HAZING

Harassment and hazing of any type from Scouts, leaders, staff and visitors is prohibited at TVSR. This includes, but is not limited to verbal, physical, sexual, initiations, etc. All local, state and federal laws will be enforced. Persons found to have engaged in such will be removed from camp immediately and proper authorities notified.

## INSURANCE

The Mohegan Council maintains an insurance policy, which covers all Mohegan Council Scout and adults while in camp. This policy is an excess plan. This means that if your Scout is injured at camp, your personal insurance policy becomes primary for coverage, with the camp insurance picking up any remaining amount. It is the duty of all leaders and Scouts to report accidents to the camp office or medical officer. Out of council units are required to be covered by a similar council policy, be their own unit insurance, or by insurance carried by the individual.

## PETS

Pets are only permitted under camp management approval under very specific individual circumstances.

## SHEATH/TROWING KNIVES/STARS

Sheath/throwing knives/stars are not to be carried by campers or leaders. For all other knives, the rule of thumb is that if it is bigger than your palm, it does not belong at camp.

## NON-DISCRIMINATION POLICY

*"The Mohegan Council of the Boy Scouts of America operates in compliance with all relevant laws, codes, ordinances, statutes and regulations. The Council does not unlawfully discriminate with respect to employment, volunteer participation or the provision of services, on the basis of race, color, creed, religion, national origin, gender, sexual orientation, age, ancestry, or disability status, veteran status, marital status, or political affiliation. The Council policy forbids sexual harassment. The council has the right to exclude membership to those whose behavior is inappropriate for the defined mission and values of the Council."*

This resolution approved and duly recorded on the 26<sup>th</sup> day of July 2012.

# BOY SCOUT RESIDENT CAMP - 2018

## Health & Safety

### GENERAL

Treasure Valley Scout Reservation and all the camp programs of the Mohegan Council, Inc. comply with all Massachusetts Department of Public Health regulations pertaining to Recreational Camps and are licensed by the Oakham Board of Health. All camping programs at TVSR employ full time health professionals that are licensed by and meet all requirements of the Commonwealth of Massachusetts.

### MEDICAL TREATMENT

Campers in need of treatment beyond that provided at the Magee Health Center will be seen at a facility to be determined by the Health Officer and/or the Scout's parents. In most cases, the Scoutmaster or an adult assistant will be responsible for providing transportation. Leaders must not take campers out of camp to seek medical attention without the knowledge of the camp health officer.

#### Medications

In compliance with state regulations, all prescription and over the counter (OTC) medications brought to camp must come in their original containers, and permission must be given on the medical form authorizing the camp health officer to dispense the medications. The camp health officer must hold ALL medications (including over the counter medications) for minors, excluding inhalers and epi-pens as dictated by physicians. If there is a recent change in medication, it must be documented on the form and signed by the parent or guardian.

Parents/Guardians may sign a waiver to be able to hold and administer their Scout's medications if they are staying in camp with them.

#### Injuries

All serious injuries and illnesses of any type at BSRC must be reported to the medical officer for examination and treatment.

#### Health Lodge & Medical Emergencies at camp

The Magee Health Center at Treasure Valley is intended for temporary care of sick or injured campers, leaders, and staff. A resident health officer is always on duty, and a physician is always on call. There will be a schedule made to instruct all regarding medication and proper protocol. Campers should seek the nearest staff member immediately if in need of first-aid.

#### Medical Exams

Campers must have parts A, B, and C of the National BSA Annual Medical Form. This form must be completed by a licensed physician.

**No physicals can be given at camp.**

### FIRE PROTECTION

A fire protection plan is in every camp site. It is camp policy that fires should not be fought, rather reported to the camp office immediately. Firefighting equipment is provided in each site for emergencies.

### INSECT SPRAYS

Aerosol sprays are not allowed in camp because they are a fire hazard and can also damage tents.

# BOY SCOUT RESIDENT CAMP - 2018

## REFRIGERATION

BSRC cannot store foods for Scouts other than those required for special diets or medical reasons.

## SHOWERS & RESTROOMS

A Scout is clean. The Shower House is always available for use with many individual shower stalls and private bathrooms. No horseplay or fooling around in the shower house will be tolerated. Staff sleeping quarters are near the shower house and they take notice. Multiple other restroom facilities are located around camp including the Central Restroom, the East Lodge, and the Visitor's Latrine. Please ensure your Scouts are aware of these facilities, especially new Scouts.

## SLEEP

It is important that all campers, leaders, and staff get the appropriate amount of sleep each night. Most scouts need at least 8-9 hours of sleep. Quiet times which meet this need will be posted and enforced by camp administration.

## YOUTH PROTECTION

The Mohegan Council and TVSR are committed to full enforcement of BSA Youth Protection Standards as well as applicable laws. The camp management will not hesitate to involve social services and law enforcement agencies as necessary.

For more information about the BSA Youth Protection Policies visit [www.MyScouting.org](http://www.MyScouting.org).

## EATING AT CAMP

Our camp menu is approved each year by a dietician to ensure that Scouts are eating healthy during their week of adventure. A sample copy of our camp menu can be found at the back of this guide. **Note** it is the previous year's menu and therefore is subject to change.

If a Scout has a dietary need, the following should be done to ensure that they can eat happy and healthy during the week:

- Include the dietary need on their Medical Form.
- Remind the health officer first day during check in.
- Remind the kitchen staff first day during check in.

During the first day of camp, part of every Scouts check in process includes stops with the health officer, and the kitchen staff.

## SECURITY

TVSR is committed to providing the safest atmosphere possible. Browning Pond has public access and many people mistake the camp for a state park. If you notice anyone suspicious, contact the camp office immediately. All leaders, Scouts, and visitors arriving at or leaving camp must sign in at the camp office and a visitor's pass must be visible always.

## BUDDY TAGS

A buddy tag will be used to indicate what level each camper is for swimming activities. Buddy tags will be used by aquatics staff to ensure safety. Parents and adult volunteers must complete the swim test as well and have a buddy tag if they wish to participate in waterfront activities.

# BOY SCOUT RESIDENT CAMP - 2018

## SWIM CLASSIFICATION PROCEDURES

The swim classification of individuals in a Boy Scout of America activity is a key element in both Safe Swim Defense and Safety Afloat. The swim classification check will be performed the first time a camper visits the waterfront. Our waterfront is staffed with certified life guards. **Note, that some boating and advanced swimming activities are restricted to Swimmers, per Massachusetts state law.**

### Swimmers

Jump feet first into water over the head in depth, level off, and begin swimming. Swim 75 yards in a strong manner using a forward stroke: side stroke, breast stroke, or crawl; then swim 25 yards using an easy resting back stroke. The 100 yard swim must be continuous and include at least one sharp turn. After completing the swim, rest by floating.

### Beginners

Jump feet first into water over the head in depth, level off, swim 25 feet on the surface, stop, turn sharply, resume swimming as before, and return to starting place.

### Non-Swimmer/Learner

For some Scouts, camp may be their first experience with swimming and other aquatic activities. No test is required for this level, but Scouts are all encouraged to at least get in the water.

## CAMP EMERGENCY PROCEDURES

Treasure Valley has specific procedures that our staff are trained to follow in the event of an emergency. Communication of emergency events will be performed through two-way radio communication and the use of emergency signals. Any instructions given over radio-communication or public-address override these procedures.

Trigger words and phrases will be used to inform staff to initiate the following procedures.

### Drills

Emergency drills will be conducted every week to ensure that everyone knows how to respond calmly and efficiently.

### Weather Emergency

A weather emergency is made known by intermittent sounds from the camp sirens and/or camp admin/staff declaring a weather emergency. These should always be taken seriously as this means severe weather has been either seen on radar or is about to happen. In this case if you are in a program area stop what you are doing and follow the directions of the staff members. If you are walking through camp you should head to the nearest grounded building (ex: Magee, King, Benedict, East Lodge, Trading Post, etc.) Note campsites hard shelters and latrines do not count as grounded buildings. If you are in your campsite you should head to Benedict (Baden Powell, Tall Maples), Magee (High Mesa, Madore, T-Bird), East Lodge (Chippewa, Evergreen, Pine Acres), or Arrowman Lodge (Sleepy Hollow, Hickory, Hemlocks).

### Lost Camper/Bather

A lost camper/bather emergency is made known by a steady sound of sirens placed around camp. When the siren goes off all Scouts/leaders are to report directly to their campsites in a safe and efficient manner using main camp roads. At the campsites, SPL's and unit leaders should take attendance. Either when their entire troop has returned or 7 minutes after the siren sounds, whichever comes first, the troop should then send 2 "runners" to the Magee Health Center to report to camp administration. Any troop camping in Hemlocks should report to the waterfront. All Scouts/Scouters should then remain in their campsites until the sirens are turned off.

Camping needs,  
apparel, snacks,  
souvenirs, custom  
unit gear & more.

## Treasure Valley Honor Camper Award

This award allows your unit to be able to recognize 1-2 scouts in your troop that have gone above and beyond during their week at summer camp. Reasons for nominating a scout can include being an effective Senior Patrol Leader or Patrol Leader for the week, going out of their way to help younger scouts in the troop, or any other reason that makes them stand out.

### Summer Camp Refund Request Form

Refund requests must be submitted to the Mohegan Council Service Center (19 Harvard St. Worcester, MA 01609) at least two weeks prior to the start of the camp week for which you have registered. Refunds will not be given for cancellations after this date except under extenuating circumstances (serious illness, family death, summer school, custody issues, and reasons that don't involve choice). Fees may however, be transferred from one Scout to another within the same unit (coupon excluded). Many expenses occur six weeks prior to the start of camp so the Mohegan Council reserves the right to withhold an administration fee of \$50.00 for any refund given.

Full name: \_\_\_\_\_  
DOB: \_\_\_\_\_

**High-adventure base participants:**  
Expedition/crew No.: \_\_\_\_\_  
or staff position: \_\_\_\_\_

### Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

**NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.**

List participant restrictions, if any:  None

\_\_\_\_\_

I understand that, if any information I/we have provided is found to be inaccurate, it may limit and/or eliminate the opportunity for participation in any event or activity. If I am participating at Philmont, Philmont Training Center, Northern Tier, Florida Sea Base, or the Summit Bechtel Reserve, I have also read and understand the supplemental risk advisories, including height and weight requirements and restrictions, and understand that the participant will not be allowed to participate in applicable high-adventure programs if those requirements are not met. The participant has permission to engage in all high-adventure activities described, except as specifically noted by me or the health-care provider. If the participant is under the age of 18, a parent or guardian's signature is required.
