From the Director

To the Troops and Crews who have chosen the Wanocksett Experience,

Each summer, Camp Wanocksett opens its gates to Scouts and Scouters from across the country. We are coming upon our 98th summer of offering an unparalleled experience, camping under the shade of Mt. Monadnock. As we reopened our camp last summer, we were able to see the true impact of camp on Scouts through a new light. During this time in our society, where many are grasping to find hope and joy, we had the opportunity to be reminded of how a well-formed camp impacts our youth. Each day, walking around camp I get to see Scouts setting and reaching personal goals, laughing in groups of newly-formed friendships, and exploring new interests within a completely stress-free environment.

At Camp Wanocksett, we embrace a program that promotes positive risk taking. With 12 different and diverse program areas, each Scout will be able to learn new skills and engage in hands-on experiences that would otherwise be hard to come by in their everyday life. We encourage Scouts to fully immerse themselves in the program; to try out water skiing, shoot a gun for the first time, explore the trails of Mt. Monadnock, learn how to weave a basket, and so much more. These are the moments in time that the Scouts will look back on for years to come as some of their best and most impactful experiences.

A common question asked of our staff is, "why do you keep coming back?" Though each staff member's answer may vary slightly, collectively, they will all boast about the one-of-a-kind experience that they are able to provide each Scout and leader that comes through our gates. Our staff is driven by the goal of making each summer better than the last. Working tirelessly through the off-season, they collaborate and encourage out-of-the box thinking with each other in order to continue to supply Scouts with new and better experiences each summer. Each year, I go into the summer declaring that this summer's staff is the best. Because of the development that takes place year-to-year to build up future generations of staff, I can honestly say that this statement still rings true and that the 2022 Camp Wanocksett staff will provide you with the best summer experience yet.

Thank you for choosing to join us at Camp Wanocksett this summer. We are honored to get to take a part in creating unforgettable memories for you and your Scouts. Though the 2022 season will only last a summer, the skills, knowledge, and friendships gained during it will last a lifetime.

Yours in Scouting,

Daniel Francis Megan

About the Wanocksett Experience

BOY SCOUTS
OF AMERICA®

Mission Statement of the Boy Scouts of America

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

About Heart of New England Council

New England is characterized by close-knit communities, a pioneering spirit, and both the values of independence and fellowship. The cities and towns of Central Massachusetts, carved out of the frontier by the earliest pioneers, shaped during the birth of the Republic, tempered through industrial innovation, and now, evolving to meet the challenges of the 21st century, epitomize the spirit of New England.

These same characteristics find easy complements in Scouting. New England's near four hundred year-old history of town meetings and direct democracy are echoed in Scouting's aim to help young people become active, responsible, and participating citizens. Our long tradition of close neighborhoods and community involvement reflect a Scout's responsibility to help other people at all times. The work ethic and innovation that drove the growth of our mill towns during the Industrial Revolution – and today drives a boom in entrepreneurship, technology, and healthcare – is the evolution of the values we've inherited that seek creative solutions to common challenges, and is mirrored in the Cub Scout Motto – Do Your Best.

Located at the crossroads of most major arteries, our Council is the heart of the region. Drawing on our shared history, tradition, and the values that make New England strong, Heart of New England Council, will give all the youth of our communities the opportunity to realize the Promise of Scouting and inspire their hearts to become the leaders of tomorrow.

Mission Statement of Camp Wanocksett

The mission of Camp Wanocksett is to instill the values of Scouting within each Scout who attends. This will be achieved by combining attention to detail and the pursuit of excellence with a high degree of professionalism. Each Scout will leave a better citizen prepared for life.

About Camp Wanocksett

Camp Wanocksett is owned and operated by the Heart of New England Council, Boy Scouts of America. A full-time camp director and ranger administer it, each trained and certified by a National Camping School of the Boy Scouts of America. The Council Board of Directors, through the Council Camping Committee, supervises the camp. The camp is inspected by the Department of Health and is licensed by the State of New Hampshire. Each year, the Council Camping Committee and an Area Camp Visitation Team inspect Camp Wanocksett. It is rated as a Nationally Accredited Camp and has met 100% of standards for the past 30 years. Copies of inspection reports are available at the Heart of New England Council Service Center.

Non-Discrimination Policy

The Heart of New England Council of the Boy Scouts of America operates in compliance with all relevant laws, codes, ordinances, statutes and regulations. The Council does not unlawfully discriminate with respect to employment, volunteer participation or the provision of services, on the basis of race, color, creed, religion, national origin, gender, sexual orientation, age, ancestry, or disability status, veteran status, marital status, or political affiliation. The Council policy forbids sexual harassment. The council has the right to exclude membership to those whose behavior is inappropriate for the defined mission and values of the Council.

Preparing for Camp

As the Scout motto says "Be Prepared". Here you will find basic information about fees, refunds, pre-camp orientation meetings for leaders, and how to make reservations.

Camp Fees

Camper Fees

Camp fees for the 2021 summer camping season are:

	Through May 1, 2022	After May 1, 2022
Camper Attending with Unit	\$460	\$490
Camper Attending Provisional	\$460	\$490
Encore Camper	\$460	\$460

Scouts who join the unit after the early bird deadline (Webelos, etc.) will only be charged the early bird fee.

The Provisional Unit is for Scouts not attending when their home unit attends, or attending additional week(s) before or after their home unit attends camp. The camp staff provides qualified adult leadership for the Provisional Unit.

Encore campers are those who have attended camp for one week and want to return for an additional week(s) of camp.

Adult Leader Fees

Two adult leaders are required to be in camp at all times with every unit; two adult leaders therefore may attend Camp Wanocksett for free. Additional free adults are offered to units based upon the number of youth in camp. Other additional adults may spend the week in camp at a significant discount of \$150 per person. À la carte meals are available for purchase by partial week adults, visitors, and guests for \$9.00 each.

Scouts	Free Adults
0-20	2
21-30	3
31-40	4
41-50	5
51-60	6

Refunds

The following information applies to all summer camp programs at Camp Wanocksett. Campsite deposits are non-refundable, but may be either applied to the balance of camp fees due, or rolled over to the following year.

1. Refund requests must be submitted to the Heart of New England Council Service Center and the Camp Director at least two weeks prior to the start of the camp week for which you have registered.
2. Requests must include the Scout's name, unit, the camp session, and an explanation for their absence.
3. Refunds will not be given for cancellations after this date except under extenuating circumstances (serious illness, family death, summer school, custody issues, and reasons that don't involve choice).
4. A Scout who becomes ill or injured during camp may receive a prorated refund as determined by the Camp Director.
5. Refunds will not be granted for scheduling conflicts, no-shows, weather, or behavioral issues.
6. Refunds will not be granted to Scouts who leave camp by their own choice, or are asked to leave camp because of behavioral issues.
7. Summer camp registrations may be transferred to an alternate session, if space permits, without penalty. Fees may be transferred from one Scout to another within the same unit.
8. The Heart of New England Council reserves the right to withhold an administration fee of \$50.00 for any refund given.
9. Refunds will be made to the unit (or if attending Provisional to the individual) who made the original payment.

Reservations & Orientation

Reservations

To reserve a week of camp for your unit, a \$100 deposit, accompanied by a Unit Reservation Form, should be given to the Camp Director (while at camp) or to the Council Service Center by October 1st of the year preceding your desired attendance. Please note that units who had secured a reservation through a deposit prior to October 1st, and later choose to withdraw forfeit their right to a refund.

Camp Wanocksett has sites designed for units of all sizes. A unit in a particular site and week this summer will be given priority for that site and week next summer. Although every effort will be made to accommodate your preferred choice of campsite, **we reserve the right to relocate units** to a campsite that will better accommodate the number of Scouts attending camp from that unit. Keep your unit's size in mind when consulting the size chart for our camp below. Sites will be confirmed after the pre-camp meeting two weeks prior to your arrival.

Campsite Size			
Campsite	Max Size	Campsite	Max Size
Abnaki	26	King Philip	32
- Upper	8	Kiowa	20
- Lower	18	Merrimac	24
Apache	48	- Upper	12
Arrowhead	20	- Lower	12
Blackfoot	34	Monadnock	14
Chippewa	10	Nipmuc	24
Crow	28	Rotary	36
Iroquois	48	Sioux	52
- Upper	34	- Big	34
- Lower	14	- Little	18

Online Registration

We encourage all unit leaders to register their youth and adults online if possible, though paper registrations are still available. Unit rosters (including adults) and merit badge choices must be submitted at your arrival at camp. You can find the online registration form template at CampWanocksett.org. If you submit your registration online, you are able to update your submissions online no later than midnight the night before your unit arrives at Camp. You can also submit rosters and merit badges by emailing info@campwanocksett.org or hard-copy paper forms at arrival; please use the camp templates.

Pre-Camp Orientation Meetings

Ten-days before your arrival at camp, we invite Unit Leaders and Senior Patrol Leaders to attend a pre-camp orientation meeting with the Camp Administration at 7:00pm. The meeting will take place in a hybrid format; you can attend via Zoom or in-person at the Dublin Boathouse. Prior to this meeting, Unit Leaders must submit copies of their medical forms. Failure to submit all medical forms at least two weeks before check-in will result in delayed processing. If we do not have your forms two weeks ahead of your arrival, your unit will be the last to be medically screened and the last to complete swim checks, regardless of the order in which you arrive at camp. The Camp Administration will discuss any final information that you will need for the upcoming week of camp. The dates for these meetings are:

Session of Camp	Pre-Camp Orientation Meeting
Week One July 3 – July 9	Wednesday, June 29
Week Two July 10 – July 16	Wednesday, June 29
Week Three July 17 – July 23	Wednesday, July 6
Week Four July 24 – July 30	Wednesday, July 13
Week Five July 31 – August 6	Wednesday, July 20
Week Six August 7 – August 13	Wednesday, July 27
Week Seven August 14 – August 20	Wednesday, August 3

Virtual Pre-Camp Check-In

Unit leaders have an opportunity to complete most of their check-in prior to arriving at camp. This check-in is done virtually through video conference and can involve any number of adults in the unit (unit leader, summer camp coordinator, treasurer, health form coordinator, etc.). During this check-in, the camp administration will complete all financial matters with you and send you a checklist of items to prepare for drop off when you arrive at camp. By completing this pre-camp check-in, your unit leaders will be provided a fastpass and can skip the check-in line at the office to drop off all documents. This process is optional for units. A sign up link to pick an appointment for a virtual pre-camp check-in will be provided to unit leaders during the pre-camp orientation meeting 10 days before your arrival at camp.

Camperships

No Scout shall miss the opportunity to attend summer camp because their family lacks the ability to pay full price. A limited number need-based financial assistance camperships are available directly from Heart of New England Council for this purpose. We strongly encourage Unit Leaders to investigate local funding sources before applying for council camperships. This extends the number of camperships that can be provided to deserving Scouts throughout this council. Camperships are awarded on a first-come, first-serve basis. An application can be found on the camp website at CampWanocksett.org. All applications must be received no later than April 1. Campership recipients and their unit leader will receive notification by April 15.

Packing List

While at camp, Scouts stay in two-person canvas wall tents on wooden platforms. Each Scout will have a bunk and mattress. Any specialized equipment needed for specific activities is provided. Scouts will be responsible for their own personal clothing and equipment.

Please make sure that all personal items are labeled with the Scout's name and hometown. This makes it much easier to identify lost items.

Important Dates

While your unit will be attending camp during the summer, leaders who are responsible for organizing their unit's visit to camp find that there are a number of key dates they should be aware of.

Late January/Early February

Attend the Kick-Off Meeting - Your unit leadership should attend the kick-off meeting to find out what is new about camp.

Late Winter

Appoint Summer Camp Coordinator Team - The unit committee and Scoutmaster/Advisor should appoint an adult and youth who will be responsible for coordinating the unit's trip to camp. The adult could be the Scoutmaster/Advisor or another adult who is only responsible for summer camp plans. The youth could be the SPL/President or a Scout/Venturer who is looking for a leadership role. The adult should be the point of contact with the camp on the unit's reservation. Changes to the adult point of contact can be emailed to info@campwanocksett.org.

Promote Camp - Notify your Scouts and families about the dates for camp this year. Encourage families who have a need for financial assistance to complete the campership application and notify the summer camp coordinator.

March 1

Determine Adults Going to Camp - Units need a minimum of 2 adults age 21 or older to attend camp. You want to ensure consistency throughout the week to minimize poor behavior by Scouts.

April 1

Campership Applications are Due - A simple need-based financial assistance request form is located on the camp website CampWanocksett.org. If internet access is a challenge, a unit leader can fill out the form on behalf of the Scout's family.

Begin Accepting Payments from Scouts - Build in enough time to deposit payments to the unit's treasury from families and get a check written from the treasurer. Remember that some Scouts may not be around for April vacation week.

April 15

Counselor-in-Training Applications are Due - The application form can be found at CampWanocksett.org and is designed to give Scouts an opportunity to experience what it is like to apply for a job.

Campership Award Notifications - Heart of New England Council's campership committee will communicate need-based financial awards to parents and the summer camp contact on record. This helps to prevent an overpayment by the unit.

May 1

Early Bird Payments are Due - Please include one check from the unit payable to "Heart of New England Council, BSA" with the financial submission form located at the end of this guide. Payments must be received by May 1 to be considered for the early bird rate. Contact info@campwanocksett.org with questions about the financial status of your unit. It is suggested that you only pay for Scouts at the early bird deadline; payment for additional adults or other items should be paid closer to your arrival date at camp and after a financial check-in is conducted with the camp office.

June 15

Camp Office Document Transfer - On June 15, documents and files located at the Rutland Service Center are packaged up and transferred to the Dublin Camp Office. After June 15, send all payments and correspondence to the Dublin Camp Office.

June 24

Camp Office Opens - In the afternoon of June 24, the senior staff begin arriving at camp and the camp office is staffed.

August 22

Camp Office Closes - The evening of August 22, the camp office begins to shut down for the season. Files are boxed and supplies packed up for the winter season.

August 25

Camp Office Document Transfer - Files from the season are transferred to the Rutland Service Center.

October 1

Reservation Deposits Locked - Units who attended this summer have until October 1 to retain "squatter's rights" on the same week next summer. After October 1, new units can take priority.

Camp Staff, CIT, and Campership Applications Open for the Next Summer - Time to start thinking about next summer!

Pre-Arrival Checklist

Before arriving at camp, the summer camp coordinator has a number of tasks to complete.

30 Days Before Your Arrival at Camp

Confirm BSA Registration Status for all Youth and Adults - All youth and adults attending camp must be currently registered members of the Boy Scouts of America. Check your my.scouting roster report to ensure everyone going to camp is listed. If someone is missing from the list, contact your council's registrar. All adults must be current with their council's Youth Protection Training requirements before arriving at camp.

Submit any NH DCYF Third Party Checks - Any adult attending camp who either currently lives in the State of New Hampshire, or has lived in the State of New Hampshire at any point in the past seven years must complete a Central Registry Check from the State of New Hampshire. A copy of this request form is located at the end of this guide. The form must be notarized before being sent to the Division for Children, Youth and Families. Don't delay as processing can take as long as 3 weeks. Completed forms will be returned to the individual adults and must be collected for check-in.

Collect Medical Forms - Start early!

14 Days Before Your Arrival at Camp

Copies of Medical Forms Received at Camp - Your unit's packet of medical forms must arrive 14 days prior to your unit's arrival at camp. Only submit **COPIES** of your medical forms as they must be retained to comply with state law. Label your medical form packet with your unit and the week you are attending (i.e. Troop 123 Anytown, MA - Week 3). After reviewing the forms, the nurse will contact you with any concerns or questions.

10 Days Before your Arrival At Camp

Attend the Pre-Camp Orientation Meeting - Your unit's leadership is invited to attend an orientation meeting at 7pm either on Zoom or in-person. This meeting should be attended by the top unit leader attending camp, the summer camp coordinator, and the top youth leader. The meeting is not intended to be attended by every person attending camp with the unit.

Sign Up for a Virtual Pre-Camp Check-In (Highly Recommended) - Appointment availability opens for pre-camp check-in meetings with the camp administration. You can sign up online using a link provided during the pre-camp orientation meeting or by contacting the camp office.

Begin to Collect Updated Medical Forms - Challenges the camp nurse identifies with your medical forms will be communicated to you at the Pre-Camp Orientation Meeting. The camp nurse will be available to answer any questions about these challenges. Contacting parents as soon as possible helps to resolve any challenges as quickly as possible.

7-3 Days Before Your Arrival

Complete Virtual Pre-Camp Check-In (Highly Recommended) - Unit Leaders are highly encouraged to complete a pre-camp check-in virtually with the camp administration in the week before their arrival. This meeting speeds up your check-in process on arrival day.

Collect Updated Medical Forms - Compile any updates to medical forms. Forms can be received in-person, via fax, or mail; we can not accept any medical forms via email. Most units bring the updated form with them to check-in day.

Arrival Day At Camp

Confirm all Scouts and Adults Have Arrived - As the summer camp coordinator, you are responsible for ensuring all Scouts and adults arrived to camp successfully. You can use the camp phone to verify any no-shows.

Complete Check-In at the Camp Office - Once you have confirmed all Scouts and Adults have arrived, or are going to be arriving shortly, the camp coordinator should head to the camp office. The following items should be brought to the check-in:

- | | |
|---|---|
| <input type="checkbox"/> Signed Copies of Unit Financial Documents if you completed Pre-Camp Check-In | <input type="checkbox"/> my.Scouting Roster report with BSAIDs for everyone attending |
| <input type="checkbox"/> Check for Camp Fees | <input type="checkbox"/> NH DCYF Third Party Check Results (If Applicable) |
| <input type="checkbox"/> Final Unit Roster with Youth & Adults | <input type="checkbox"/> Count & Payment for Unit Photo Order |
| <input type="checkbox"/> Merit Badge Registration | |

Tuesday Morning of Your Week

Close Out Unit Financials - Confirm with the camp office that all financials for the unit are closed out and there is no balance due on for the unit. Any refunds that have been requested will be processed after this.

Confirm Next Year's Deposit - Most of the time units will rollover their deposit to the same week for the following year. A reservation form will be provided at check-in. You want to leave camp knowing your spot in camp is secured for next summer.

Camp Wanocksett Program

We support the unit program. Our schedule should not be used as a substitute for your unit program. In fact, the daily or weekly schedule is not a program. It is an instrument for planning and for administering the unit program. It is a timetable for certain formal activities and a list of opportunities. The schedule provides a means for mobilizing the program resources of the camp and constructing a balanced experience for each Scout.

The key words are accommodation and customer service. What can we do for you this summer? That is the Wanocksett Experience. Baden Powell once said that the patrol was the secret to success in Scouting. The Patrol method is central to good Scouting. There must be certain activities over which the patrol has complete responsibility. The patrol method develops the Scout's teamwork and leadership skills and can increase Scout spirit.

At Camp Wanocksett, we believe in the truth of this point so much that we include specific opportunities designed to facilitate the strengthening of the patrols in your unit. The purpose of the camp is to provide experiences for the unit that will make it better able to plan and conduct its own program. The services of the camp staff are of a consulting and empowering nature. The central camp staff and the unit leaders develop the program cooperatively. The unit is responsible for its own program in camp, as it is in its town.

Program Structure

Camp Wanocksett has two structured merit badge sessions in the morning followed by Patrol Centered Programming. A third merit badge session occurs in the afternoon, followed by an open program format, which continues until retreat & after dinner.

Merit Badge Sessions

Merit Badges are the core of the Camp Wanocksett Program. Every day, Scouts will go to three sessions of merit badges. They can earn these badges in any area of camp. Some badges require additional supplies, outside work, or have age/weight requirements. These are listed for each badge in the Program Areas section.

Selecting Merit Badges – “On the Grid”

Selecting a merit badge depends on a variety of factors – the Scout's age, abilities, and the unit's year-round program. Each Scout's schedule should be challenging and push the Scout towards developing initiative, follow-through, and ultimately success with completion of the merit badge. Units can register online or with a paper form found at the back of this guide. This makes it easier for the camp to process the sign-ups and best serve the needs of each Scout. Scouts always receive their choice in badges, though we may move periods to reduce class sizes for the best instruction possible.

The online registration form must be filled out by midnight Sunday before your arrival at Camp. The form can be found at CampWanocksett.org.

Extra Help

If a Scout is having trouble with any merit badge, we will give him the help he needs. Leaders are encouraged to visit each Scout's merit badge counselor on a daily basis. Counselors will share with the unit leaders each Scout's progress and attendance record at classes. It is important that any problems with a merit badge be brought to our attention as soon as possible. It is impossible to remedy a situation Friday afternoon that began on Tuesday. We want to work with unit leaders and Scouts to make sure merit badge instruction is as complete as possible.

Partial Merit Badges

When a Scout presents a “partial” to the merit badge counselor, the work previously done will be accepted after the counselor confirms the Scout's knowledge. A partial is good from the date the Scout earns it until he turns 18 years old. Partial can be

2022 Camp Wanocksett Leader's Guide

worked on during regular merit badge times when said badge is offered, or during scheduled times during open program. Each situation is handled differently, so discuss the partial with the Program Director or an area director.

Bonus Merit Badges

The three class periods provide the bulk of our merit badge program, but Scouts will have the opportunity to earn other badges during open program time. Most of these badges take multiple classes, but they will always take place during the open program block. They are held in different areas throughout camp. This allows Scouts a more flexible schedule to earn badges they might not otherwise be able to.

Session Size and Quality

Staff members will make every effort to accommodate all Scouts for merit badge sessions. We will never close a class due to size, but instead will open a second or even third section of the same badge in a period to ensure the most effective class size and instruction quality. Our merit badge registrar may also reorder a Scout's badges so they get the same badges they selected but with a more manageable class size. This ensures each Scout receives the badges they want. To assist in this process, unit leaders should try and limit the number of their Scouts that they place in the same session at the same time.

Patrol Time

One of the eight methods for achieving Citizenship, Character and Fitness is the Patrol. Patrols give Scouts experience in practicing citizenship and developing character. Each day patrols will meet after the morning flag ceremony before breakfast and decide on a Patrol Time activity, which will take place after the second merit badge period of the day.

Open Program

After the third merit badge period in the afternoon, Scouts go to open program. The entire camp is open for a multitude of opportunities. Each day, new and exciting programs are offered. Apart from being posted on up-to-date schedules around camp, area directors will announce programs and any changes at meals.

Evening Programs

Every evening, a camp-wide program allows all Scouts & leaders in camp to come together for "Fellowship on the Thorndike."

Sunday

Chapel & Opening Campfire 7:30pm - After dinner, Scouts can return to their sites quickly and then gather at the Chapel for a Scout's Own service led by our camp chaplain. This service allows Scouts to reflect on the week ahead. After the brief service, units will file into the Jack and Ruth Kennedy Memorial Amphitheater to be entertained with skits, songs, stunts, and vespers.

Monday

Friendship Fires 8:00pm - Scouts can enjoy an hour of open program from 7:00pm-8:00pm and then head out to one of three designated sites for in-site friendship fires. Units volunteer to host at the Senior Patrol Meeting on Monday and invite their neighbors to come sing songs, and make new friends. Staff members will also attend friendship fires.

Tuesday

Sunset Summit 3:00pm - During the afternoon, the staff prepares for the Monadnock Hike. After ensuring all Scouts are adequately prepared, the group starts up to the summit, which they reach just before sunset. They are provided with a bag dinner and after the magnificent view, the hike down returns between 8:00pm-10:00pm. Due to the strenuous nature of the hike, the Sunset Summit requires Scouts to be at least a second year. The trek leader, and camp nurse, will make a judgment call on all youth and adults looking to hike. For those not participating, program areas are open from 7:00pm to 8:00pm.

Brownsea Evening Adventure 8:00pm - For the younger Scouts, and anyone who likes s'mores, the Brownsea Staff will host a small campfire and lead songs, skits, and cheers while cooking up s'mores for all who attend.

Wednesday

BBQ Night 6:00pm - On Wednesday, our dinner is a barbeque, which is served outside. Games and activities will be set up on the Main Field and around lower camp for Scouts and Leaders to play at their leisure. Following the evening's activities, a board and card game night will be offered in the Boat House, Handicraft, and Memorial Lodge.

Events are as follows:

- 6:00pm – Flag Ceremony
- 6:15pm – Barbeque Dinner (Buffet style)
- 6:30pm – Field Games throughout lower camp
- 7:15pm – OA Call Out Ceremony
- 8:00pm – Game Night
- 8:00pm – Camp Band Performance

Thursday

OA Ice Cream Social 8:00pm – Following open program, Scouts are invited to enjoy a make-your-own sundae party provided by the Order of the Arrow.

Friday

Rocket Launch 7:00pm & Closing Campfire 8:00pm – Our last night of program begins with a rocket launch after dinner at 7:00pm down on the Waterfront. From there, units will again assemble to enter the Jack and Ruth Kennedy Memorial Amphitheater for the Closing Campfire.

Venturing Program

As the Venturing Program has expanded over the last two decades, the Camp Wanocksett staff has worked to incorporate programming for Crews. Venturing Crews that choose Camp Wanocksett are able to create custom programming that fits their needs and abilities. Working with our Adventure Team and other program staff, Crews are given the opportunity to build custom week-long experiences that are independent from our Boy Scout programs. Crews can enjoy everything we have to offer at a more advanced skill level. Oftentimes this includes COPE activities, our high ropes course, kayaking, first aid instruction, shooting, and hiking Mt. Monadnock. Prior to your arrival and during Sunday check-in, our program staff will work with your crew to create a Wanocksett Experience you'll never forget.

Special Events

Camp Alumni Association

The Camp Alumni Association is active in planning events during summer camp and in the off-season. Visit the camp website and social media pages to find out more about the alumni association and events taking place.

Order of the Arrow

OA Outpost – The Order of the Arrow hosts the OA Outpost, an evening event with fellowship, a crackerbarrel, and field sports for all OA members and candidates one evening at the Waterfront.

Call Out Ceremony – Throughout the week, Catamount Lodge will schedule small call out ceremonies with Units to recognize new candidates who have been elected into the Order of The Arrow.

Camp Wide Ice Cream Social – The OA sponsored ice cream social is a time for fellowship among everyone in the camp.

Beaver Day

Each year, the Heart of New England Council Properties committee organizes a Beaver Day to help with the setup of the camp property after the winter season. Join with other Scouts and volunteers in the spring for a few days of cheerful service. Contact marc.smith@heartofnewenglandbsa.org for more information.

CW Flag World Tour

Throughout the year, members of the Wanocksett family travel the globe with one of the camp flags. Check out their adventures on social media by searching #CWWorldTour or visiting our pages @CampWanocksett.

Camp Program Areas

Camp Wanocksett features a wide variety of open program opportunities at our program areas, supported by key staff members with particular expertise in their program. Listed on the following pages are just some of the enjoyable program options offered in each area. At camp, watch for announcements about what each program area is offering each day.

Aquatics

Located on the beautiful Thorndike Pond, the Camp Wanocksett Waterfront is an integral part of the Scout's camp experience.

Merit Badge	Difficulty	Comments
Canoeing	Moderate	Must pass the BSA Swimmer test
Kayaking	Moderate	Must pass the BSA Swimmer test
Lifesaving	Difficult	Must pass the BSA Swimmer test. Two period class. Recommended age of 14.
Motorboating (Bonus Badge)	Moderate	Must pass the BSA Swimmer test.
Rowing	Moderate	Must pass the BSA Swimmer test.
Small-Boat Sailing	Difficult	Must pass the BSA Swimmer test. Two period class.
Swimming	Moderate	Must pass the BSA Swimmer test.
Water Sports	Difficult	Must pass the BSA Swimmer test. Recommended age of 14.

Instructional Swim - Instructional swim time is available for any Scout who needs help improving their swimming skills. Both beginners and weak swimmers are encouraged to participate in this program any afternoon starting at 3:00pm

Polar Bear Swim - Each day at 7:00am, the beginner's area will be opened for those Scouts and adult leaders who enjoy taking an early dip. This is strictly a "for fun" program.

Free Swim - Each day at 4:30pm, the swimming area will be open so that Scouts and leaders have an opportunity to have fun, cool off, and enjoy a swim in the afternoon.

Mile Swim - The mile swim award is given to those Scouts who can swim a mile in one attempt. Scouts begin the program at 7:00am on Monday morning. This requires attendance every morning at practice

to help prepare oneself for the Friday morning swim at 6:00am.

Water Basketball/Volleyball – This program provides an opportunity for patrols to have fun, stay cool, and enjoy camaraderie on the waterfront. Patrols & Units are encouraged to challenge one another, or use this for an inter-patrol activity.

BSA Lifeguard – BSA Guard is a lifeguard certification program. To participate, Scouts must be at least 15 years old, pass a rigorous swim test outlined in the requirements, and present a current CPR certification to the Aquatics director. BSA Guard requires 30 hours of commitment during the week, taking up all three merit badge periods and some Open Program time.

Open Boating – Each day, the waterfront opens to Scouts and leaders to have the opportunity to go boating. Canoes, rowboats, sailboats, kayaks, and paddle boards are available. Water skiing and tubing times on the motorboats are also available for fun, or extra practice for those taking the Water Sports merit badge. Use of the sailboats requires attendance at a sailing orientation on Sunday night or Monday morning.

Fishing -Those Scouts who would like to go fishing are invited to use the fishing equipment located at the Waterfront. Fishing is limited to the area by the chapel, extending towards the Ranger's beach. Scouts must always be with a buddy, especially when they are fishing.

Brownsea Adventure

Brownsea Adventure is a unique area in camp that helps new and younger Scouts master the skills they need to complete the Tenderfoot, Second Class, and First Class ranks. Scouts learn the basic Scout skills they need for advancement, as well as enjoy special programs available only for younger campers. In the afternoons, campers of all ages come to Brownsea for activities centered on Scout skills, often involving Scout-made delicacies.

Merit Badge	Difficulty	Comments
Scouting Heritage (Bonus Badge)	Moderate	Requirements 4 and 6 must be completed outside of Camp. Bring a dozen or more Scouting related patches to share with class.
Fire Safety (Bonus Badge)	Easy	Field Trip Required

Rank Classes Offered

- Scout/Tenderfoot
- Second Class
- First Class

Camp Wanocksett Philosophy on Rank Advancement - We will make sure our training of each young Scout is held to the highest standards – we will teach the Scouts the skills, but we will not sign books. It is up to the Unit Leader to validate the Scout's knowledge of the particular skill in question before he/she signs off the requirement. At the end of the week, each troop will receive a sheet with a list of skills that each Scout completed during their time at Brownsea.

How It Works - The first year camper program at Camp Wanocksett is called "Brownsea Adventure" in honor of Brownsea Island, the location of Lord Baden Powell's first camp for Scouts where he introduced them to Scout skills. Scouts can sign up for one, two, or three Brownsea sessions as if they were merit badges. Scouts then learn the skills needed to advance from Tenderfoot to First Class. We support the unit in however they wish to deliver their program, but recommend that it is optimal for the Scouts to not take more than one session of Brownsea. This session should be of the rank the Scout has yet to earn and has the most work left to complete.

A Scout working below their level or spending too much time in Brownsea misses out on the rich range of program opportunities at Camp Wanocksett.

Paul Bunyan Award - Scouts can come down to Brownsea during free time to earn the Paul Bunyan Award or Troops can arrange to have a Brownsea Staff member offer it to a patrol or whole Troop at once. The award encourages the proper use of wood tools, training others in the Totin' Chip, and creating a simple wooden project.

Climbing/Rappelling

The Climbing Merit Badge is fun for those Scouts who are up for a little bit of a challenge. "Open Climbing" is open to all Scouts who want to try their skills at climbing, with three different walls ranging in difficulty.

Merit Badge	Difficulty	Comments
Climbing	Moderate	May involve out of class practice depending on the Scout's ability level.

Afternoon Programs – Stop by the climbing tower any afternoon for a number of great activities to test your climbing skills. Bouldering, Climbing Bingo, and our electric wall will keep you in the air all afternoon.

Bouldering Wall – Bouldering is a great activity to practice the technique of climbing without needing to be tied in to a belay system. Stop by the Camp Wanocksett Bouldering Wall with a friend to work on your technique, strengthen muscles for climbing, and have some fun.

Ice Climbing – Want to experience the thrill of ice climbing in the summer without any of the snow or cold? Come by our tower to climb our faux-ice wall using ice picks and crampons.

Robot Wars - Come compete against your patrol mates or the ecology staff in Camp Wanocksett's annual robot KO contest!

Design Challenge Day - Challenge gravity to build the tallest towers and design other effective devices!

Play With Your Food - Discover the chemistry of food, as you make such concoctions as boba and gelatinous yogurt!

Leave-No-Trace - Does everybody know and live the Outdoor Code? A great way to learn how to live it in practice every time you go camping is to learn low impact camping skills.

This program stresses not damaging the environment we use for our Scouting experience and in our everyday lives..

Experiment Extravaganza - Flying fire, bombs and rockets, jellied water and dissolving packing peanuts? Come down to the Nature Den for some amazing science demonstrations, hands-on experiments, and loud explosions.

Egg Drop - Beat gravity by building a device that will keep a raw egg intact after a 35' drop from the top of the Climbing Tower.

Earn Awards - Spend your week working on conservation projects or just having fun in the Nature Den and you could earn the Golden Acorn award. Your patrol can also work together to earn the Arthur Polanski Patrol Conservation Award. Speak to the Ecology Director about these opportunities on Sunday or Monday.

Field & Shooting Sports

Field Sports

Camp Wanocksett is blessed with two great field sports facilities for Scouts to use during their camp stay. The camp sports program provides an excellent opportunity to teach valuable skills like sportsmanship, and teamwork.

Merit Badge	Difficulty	Comments
Athletics	Easy	Due to requirements 3 & 5 this badge cannot be finished at camp.
Chess (Bonus Badge)	Difficult	
Game Design	Moderate	
Personal Fitness	Difficult	Due to requirements 8 this badge cannot be finished at camp.
Sports	Moderate	Due to requirements 4 & 5 this badge cannot be finished at camp.

MacCauley Sports & Games Complex – Come play sports at MacCauley Field! Enjoy our basketball court, volleyball pit, gaga ball pit, tetherball court, batting cage, & giant board games. Challenge another unit or play a pick-up game with other Scouts.

Athletics Field – Our Athletics Field allows teams of Scouts the ability to challenge each other in a number of sports. Soccer, lacrosse, ultimate, and dodgeball are just a few of the many activities available.

The George Magee Memorial Field Day - Once a week in the MacCauley Sports and Games Complex come and enjoy a field day where teams will compete in a myriad of events to determine who are Camp Wanocksett's best competitors.

The Lucien Theberge Triathlon – A unique tradition, the weekly Lucien Theberge Triathlon is one that will challenge the most athletic of Scouts. A ¼ mile swim in the Thorndike is followed by a strenuous 4 ½ mile bike ride around the lake. The final leg of the journey is a ½ mile run back into camp. Those who finish as medalists are recognized in a ceremony at evening retreat.

Bicycles – Scouts and leaders may bring their bicycles with them to camp. Upon arriving at camp, please inform your unit guide. We may lock it for safekeeping during your stay at camp. Bicycles can only be used for the Lucien Theberge Triathlon as well as bike rides scheduled by the staff. Use of bicycles within camp to ride between program areas and campsites or as general transportation is not allowed.

Shooting Sports

The Camp Wanocksett Shooting Sports program prides itself on teaching Scouts how to safely and responsibly handle firearms. Ranges are staffed by NRA and National Camping School certified instructors and operate in accordance with the strictest safety rules.

Merit Badge	Difficulty	Comments
Archery	Difficult	Challenging skill requirements. Scout must purchase arrow kit in the Trading Post (\$4.00)
Rifle	Moderate	
Shotgun	Moderate	Scouts must weigh 125lbs. Recommended age is 13.

Rifle Range – Scouts and adults use .22 caliber rifles on our range as they work towards awards or the merit badge. The range is open in the afternoon for Scouts who want to use a rifle for the first time or for those who want to practice their shooting skills to meet the badge requirements. As always, Scouts learn safe shooting practices and new shooting styles.

Shotgun Range – Come to the shotgun range to enjoy the thrill of shooting a 20-gauge, 12-gauge, or .410 shotgun at clay targets. Challenge your friends to a friendly, safe competition.

Archery Range – The archery range offers the opportunity for instruction with standard target arrows and 12-35lb bows. Enjoy the challenging sport in a safety-oriented atmosphere. Test your skill against your friends or another unit. The 3-D Course is also available during the week for a unique skill challenge.

Personal Equipment – Scouts and leaders may bring personal firearms or archery equipment to camp. Immediately upon your arrival, please notify the staff so we may check in the equipment with our NRA certified instructors. Equipment will be stored on site at the range, and will be returned at the end of the week.

2022 Camp Wanocksett Leader's Guide

Handicraft

At Handicraft, every Scout can develop their creativity through performance and hands-on activities and projects.

Merit Badge	Difficulty	Comments
Animation	Moderate	
Fingerprinting (Bonus Badge)	Easy	
Graphic Arts	Easy	
Inventing (Bonus Badge)	Moderate	
Leatherwork	Easy	Scouts must purchase kits associated with this badge (approx. \$20).

Build A Boat Workshop - Come down, make a boat and then race it against all other Handi-WaterCrafts to be crowned King of The Thorndike

Tie-Dying - It's great fun to dye all your favorite clothes in a multitude of colors – pink, purple, orange, red, blue, green, and yellow. Come down and dye some clothes in time for them to dry before the end of your week at camp. You can bring your own t-shirt or purchase in the trading post.

Patrol Flag and Sign Making - Patrols can go to Handicraft to work on making a Patrol Flag or Sign. Use these flags to promote the patrol method within the unit. Show them off at flag ceremonies during the week at camp, or have your sign hung in the dining hall with many other historical signs.

Screen Printing – Scouts can design their own images to screen print onto shirts and other clothing items to have a camp keepsake to commemorate for years to come. Scouts can also look through a book of previously made designs by other scouts to use as well.

Pet Rock Pageant – Scouts can come down and glam up a rock of their choice to compete in Camp Wanocksett's weekly Pet Rock Pageant. Extra points for creativity and the uniqueness of the rock. Rocks must fit in the palm of the Scout's hand to be decorated.

Ranger Corps

The Camp Wanocksett Ranger Corps is the heart of the camp staff. They work to keep the camp looking its best and functioning during your week, all while teaching valuable skills to Scouts in camp.

Adult Leader Projects – A dedicated team of adult volunteers assists our camp ranger with maintaining the property year-round. Multiple projects are always taking place and adult leaders with knowledge in a trade skill can volunteer to assist the ranger during their week of camp. Skills including electrical, plumbing, framing, automotive, masonry, and painting are always needed to keep Camp Wanocksett looking its best.

Scoutcraft

Scoutcraft is at the heart of a Scout camp; it is what makes a Scout camp different from any other camp. All a Scout needs to know about camping can be learned at Scoutcraft.

Merit Badge	Difficulty	Comments
Camping	Difficult	Cannot be completed at camp due to Requirements 4 & 9a & 9c. Scouts must present a camping backpack and gear for inspection. 9b must be completed during open program
Cooking	Difficult	Prerequisite: Requirements 4 & 6. Home cooking, and on the trail cooking is required. First Class scouts and above only.
Geocaching	Easy	A camp GPS unit is supplied.
Pioneering	Moderate	Two Period Class.
Signs, Signals & Codes (Bonus Badge)	Easy	
Wilderness Survival	Easy	Scouts will sleep out in a shelter one night. Survival Kit Materials are required.

Map and Compass Skills - Getting lost in the woods is not fun. During this demo, each Scout will learn to read and orient a map, as well as acquiring some basic compass skills. The high point of the program puts these skills to practice on an actual compass course. Also, Scouts will have the opportunity to find hidden objects using our GPS devices.

Pioneering Projects - Help to build a monkey bridge, gateway, or tower using lashings. Scouts love building pioneering projects, and the skills they learn go well beyond knots & lashings, to include teamwork and problem solving.

Dutch Oven Cooking – Some of the best meals prepared in the camp setting are made using dutch ovens and hot coals from a campfire. Stop by Scoutcraft to prepare the fire and cook some amazing food to bring back to your campsite

Firebuilding - Have you ever had a problem building a fire after it rains? Do you have a hard time building a good cooking fire? Would you like to learn how to start a fire without matches or a lighter? If you answered “yes” to any of these questions, then sign up for this demo and learn all there is to know about firebuilding. We will cover different methods of fire building and fire starting, including flint and steel, fire by friction and many others.

Ropework Mastery - Just think of how much more fun you’ll have on your next camping trip once you’ve mastered some of Scouting’s more advanced knots, lashings and splices. We will cover basic knots, advanced knots, lashings, splices, whipping, and even making your own rope.

Tomahawk Throwing - Come by Scoutcraft to use the fourth range at Camp Wanocksett. At our tomahawk range, Scouts will have the opportunity to throw our tomahawks into large wooden targets and compete for king of the range.

Older-Scout Programs, The Wanocksett Pioneers

You may be asking, "How do I keep the older Scouts in my Unit interested?" Activities for older Scouts are available everyday in all program areas! This permits experienced Scouts the opportunity to explore different activities in different areas and to work on their own advancement.

Eagle's Nest

The Eagle's Nest is a program dedicated to helping Scouts on their trail to Eagle. These badges will require a serious commitment from Scouts who are looking to take the next step towards Eagle. Scouts may have to spend additional hours with counselors to complete all requirements.

Merit Badge	Difficulty	Comments
Citizenship in the Nation	Difficult	Cannot be completed at camp due to Requirement 8. Some work must be done outside of the normal class period.
Citizenship in the World	Difficult	Cannot be completed at camp due to Requirement 7. Some work must be done outside of the normal class period.
Communications	Difficult	Cannot be completed at camp due to Requirement 5. Some work must be done outside of the normal class period.
Emergency Preparedness	Moderate	
First Aid	Moderate	

The Wanocksett Adventure Team

The Wanocksett Adventure team offers a number of Pioneer activities for older Scouts (ages 14 and up) attending Camp Wanocksett. Mountain bikes, mountain boards, COPE, kayaking, and a number of other high adventure activities are available during the formal Adventure Team time in the morning. During the afternoon open program the staff lead open sessions of more accessible high adventure programming.

Morning Program – The Wanocksett Adventure Team runs each morning from 9:00am until 12:00pm – taking place during the first two merit badge classes as well as Patrol Time. This program is a unique one in that participants are able to work together to plan their own program for the week.

After a day of initiative games, participants spend at least two days of the week on the low and high COPE courses. The low course includes elements at most 12 feet above the ground, while the high course elements are 15

to 40 feet high. Solutions to challenges often require a combination of athleticism and out-of-the-box thinking. Our trained staff strives to push participants to grow and step out of their comfort zone, while operating in a challenge by choice model, allowing participants to opt out of any individual element they do not wish to attempt. The activities are not designed to be competitive, or a race against time, but rather a means to learn the values of leadership, trust, teamwork, self-esteem, problem solving, communication, and decision-making.

The week includes COPE for at least 3 days, and two days in which participants choose programs including mountain biking, kayaking, mountain boarding, advanced rock climbing and rappelling, and more.

Afternoon Program – The Adventure Team offers a number of activities for Scouts of all ages in the afternoon. These programs may include mountain boarding, mountain biking, bike rides, COPE games, and more.

Nova & Supernova Awards Program

The Boy Scouts of America's NOVA Awards program incorporates learning with cool activities and exposure to science, technology, engineering and mathematics for Cub Scouts, Scouts BSA members, and Venturers.

At Camp Wanocksett we offer the opportunity for Scouts BSA Youth to earn the Dr. Bernard Harris Supernova Award, and Venturing Youth to earn the Dr. Sally Ride Supernova Award, through the completion of a vigorous week long program that occurs during all three merit badge periods and Patrol Centered Skill Instruction.

Scouts BSA members will also earn the NOVA Start Your Engines!, NOVA Shoot!, and NOVA Whoosh! Awards. Additionally, they will also earn the following Merit Badges:

Merit Badge	Comments
Architecture	
Aviation	
Composite Materials	
Mammal Studies	
Pulp & Paper	
Scholarship	Must bring proof of requirements 1 and 3 to camp. The Supernova award cannot be awarded if only a partial is obtained.
Soil & Water Conservation	
Weather	

Venturing members will earn the NOVA Launch!, NOVA Power Up!, and NOVA Hang On! Awards in the place of the Scouts BSA Awards. Merit badges will be replaced by equivalent Venturing STEM explorations. The requirements are almost 100% reciprocal to the merit badges.

This comprehensive approach to STEM allows us to teach in a holistic fashion where merit badge and award requirements are seamlessly blended to create an engaging and informative program for Scouts.

Throughout the week we monitor the weather, watch documentaries, create motorized K'Nex cars, build a mini marshmallow catapult, take a field trip up to the Climbing Tower to observe forces in action, and host a science fair for other campers. On Friday we also read/debate about scientific theories like string theory, nature vs. nurture in psychology, where life came from, how the dinosaurs died and if aliens exist.

Due to the time commitment required, and the level of maturity expected, it is **highly encouraged that only Scouts age 14 and older enroll** in the program and that the Scout has a strong interest in STEM and Natural Sciences. **Scouts BSA youth must be First Class.**

Off-Site Trek Programs

Scouts and adult leaders can enjoy a number of off-site trek programs offered during their week of camp. Trips are organized by a dedicated staff member and follow all BSA requirements for off-site programs. Additional trek programs may be organized on a weekly basis based on interest.

5 Mile Hike – Offered by the Brownsea Staff, this special hike is a great opportunity to see the Grand Monadnock from a different perspective and also to cover requirements for rank advancement. Conducted in a safe manner, this program exposes Scouts to the whole Thorndike Pond while they learn the proper way to hike on the road and use compasses for navigation.

Sunset Summit – Offered by the Ecology/STEM staff, what better way to celebrate a week at camp than climb a mountain for the sunset? Join the staff in this fun event that is sure to enlighten everyone. Due to the strenuous nature of the hike, the Sunset Summit requires Scouts to be at least a second year Scout. The Director will make a judgment call on participation for all youth and adults looking to participate.

Muck Walk - Offered by the Ecology/STEM staff, for those on the adventurous side, wade your way through the unique environment of the Camp Wanocksett swamp. Leave camp nice and clean, and return covered with muddy, slimy filth! This is always a great way to spend the afternoon with friends.

Awards at Camp Wanocksett

Individual Scouts & Leaders, Patrols, and Units have the opportunity to earn a number of awards at Camp Wanocksett. Information about all of the awards can be found in the check-in packet each unit receives on Sunday, and in the Administration building any time. **Bold titles are official BSA Awards.**

Interpreter Strips

To signify that a youth or adult member speaks a foreign language (one other than English) Any member who speaks a specific foreign language and can demonstrate knowledge by carrying on a five-minute conversation in this language, translating a two-minute speech or address, and writing a letter in the language (does not apply for sign language); or, translating 200 words from the written word can earn this award. Camp Wanocksett has the ability to award the Spanish and French Strips.

Paul Bunyan Award

To encourage proper use of wood tools, training others in Totin' Chip skills, and creating a simple outdoor project using acquired woods tool skills.

Baden Powell Patrol Award

To promote the patrol method, patrols can work together to complete a number of activities during their week at camp to earn the Baden Powell Patrol Award. Among the requirements: patrols must make a patrol flag, use a patrol cheer during the week, participate in patrol activities at 11am, challenge another patrol to a sports competition, and perform a conservation project.

John Coyle Unit Award

To unite patrols in a troop or all of the members of a crew, the John Coyle Honor Unit Award has members of a unit participate together in a number of activities during camp. Among the requirements, each patrol must earn the Baden Powell Patrol Award, the unit must attend all camp-wide activities, participate in a number of activities, and make an improvement to camp.

Arthur Lomax III Marksmanship Award

Arthur Lomax III was an Eagle Scout from Troop 165 Charlton. From 1990-1997 he served on Camp Wanocksett Staff. He was awarded Vigil Honor from The Grand Monadnock Lodge #309, a proud member of the Iron Workers Union, and a great friend of Camp Wanocksett. To complete this marksmanship award, an individual must achieve high scores in competitions at each of the three shooting ranges in camp.

Golden Acorn Award

Living in the shadow of the most summited mountain in the world is a unique experience. Scouts who make a contribution to the Ecology/STEM program at Camp Wanocksett will receive the Golden Acorn award.

Arthur Polanski Patrol Conservation Award

Patrols who embody the ideals of Leave-No-Trace and conservation at camp can earn the Arthur Polanski Patrol Conservation Award. To earn the award, patrols must complete a conservation project approved by the Ecology director, write an article for the Wanocksett Times about a conservation issue at camp, participate in the recycling program, and partake in the Ecology/STEM program.

Adult Leader Programs

There is something to do for everyone at Camp Wanocksett. Apart from watching out for your Scouts, Camp Wanocksett provides you with opportunities of your own.

Daily Adult Leader Meeting

Every weekday starting at 9:30am, adult leaders are invited to the Dublin Boathouse to attend the Daily Adult Leader Meeting. During this meeting, the camp administration shares key operational and program information with the adults in camp. Coffee and tea is available in the boathouse prior to the meeting. This is your opportunity to bring up any concerns or publicly thank a staff member for going above and beyond in service. The meeting typically lasts no more than 40 minutes to an hour. WiFi is available for adult leaders in the boathouse during the meeting as well as when the building is not being used for programs with Scouts.

Adult Leader University

Our area directors are National Camp School Certified in many different areas of the Scouting program, and during the week there are opportunities for them to pass on their knowledge to you. These training sessions can help to enhance your unit program outside camp. The sessions offered are:

- Youth Protection
- Leave-No-Trace
- Climb On Safely
- Safe Swim Defense
- Safety Afloat
- Trek Safely
- Hazardous Weather
- Swimming & Water Rescue

Adult Awards

Camp Wanocksett takes pride in recognizing the hard work and dedication of our adult leaders. For those that go above and beyond, there are two awards you can receive:

The Ranger Jack Unit Leader Award – This award honors a long time Scouter, Ranger, and friend of Camp Wanocksett, Ranger Jack Kennedy from Boxborough MA. Our amphitheater is named after him and his wife, and the award dedicated to him is for outstanding Unit Leader service in the program.

Adult Service Corps – At the start of every summer, the staff sets up the facilities of Camp Wanocksett. As the program starts, the staff's attention shifts to the Scout. Our facilities upkeep is largely maintained by the Ranger Corps and adult volunteers who come every week. Any adult who performs 10 or more hours of work will be recognized for the Adult Service Corps, reserved for those who go above and beyond to make our camp a better place.

Unit Leader Shotgun Shoot

A tradition at Camp Wanocksett is the weekly Unit Leader vs. Administration shotgun shoot. Adult leaders are invited to the Shotgun range to compete in a competition against the Camp Administration team. Test your skills against this formidable team. Not a frequent shooter?...Never shot before?...Don't worry! Our shooting sports director offers time to practice earlier in the week and can help you shoot for the first time.

Club Wanocksett

As a staff, our mantra at Camp Wanocksett is "We are here to have the time of our lives". In that spirit, we provide a number of opportunities for adult leaders to engage in the wide array of recreational pursuits we have available. Adult leaders may participate in everything from free swims and bike rides, to open boating and COPE. The highlight of Club Wanocksett includes the Administration vs. Unit Leader Shotgun Shoot on Thursdays. More details about the potential activities available to you will be found in your Sunday check-in packet.

Volunteer Opportunities

In addition to programs for adult leaders, there are also numerous opportunities for adult leaders to assist our staff in delivering excellent programs to the Scouts. These include but are not limited to speaking to Scouts about merit badges relevant to your profession or life experience, driving to and chaperoning field trips, and assisting at the waterfront. More information about these opportunities will be made available at daily adult leader meetings.

Additional Programs

Camp Wanocksett strives to be the best of the best in all aspects of the summer camp experience. Here are some additional programming items available to you.

Outpost Camping

Outpost camping is available at Camp Wanocksett. This is a great opportunity for you and your Scouts to spend some nights sleeping in Adirondack shelters far from the hustle and bustle of camp. Hike up for a night of relaxation, cook your own meals with ingredients provided by Dining Services, and then hike back in the morning in time for morning program. The Program Director can schedule your unit during your week stay for an evening at the Outpost.

Unit Activities

At any time during the afternoon, units may schedule demonstrations and activities in the program areas. Please work out the arrangements with the area director as to the time and location.

The Order of the Arrow at Camp Wanocksett

The Order of the Arrow is Scouting's National Honor Society, based upon the principles of brotherhood, cheerfulness, and service. Scouts may be elected to the Order of the Arrow by their peers in their unit once they have achieved rank advancement for their program, proven themselves as a camper, and have demonstrated that they live the Scout Oath and Law in their daily lives. The Order of the Arrow has been instrumental in the growth and development of Camp Wanocksett.

In recognition of this, members of the Order of the Arrow are urged to wear their OA sashes with their Scout uniforms all day on Wednesday. Catamount Lodge, our council's Order of the Arrow lodge, will perform an Order of the Arrow Call-Out ceremony to recognize those Scouts who were elected to membership in the Order of the Arrow. Units from Heart of New England Council wishing to hold Order of the Arrow elections should contact their district's unit election chair before camp: **Catamount Lodge does not hold Order of the Arrow elections during summer camp.** Visit OACatamount.org for more information and to schedule a unit election.

The Lodge will also call out Scouts from other councils, although our lodge cannot conduct unit elections for units from other councils. You will need to have a valid election conducted by your home lodge, and bring a copy of the official election report with you to Camp Wanocksett in order to have your Scouts called-out. We will then be happy to recognize your Scouts during our Call-Out ceremony.

Mount Monadnock

While you are thinking of different things to do, don't forget the majestic Mount Monadnock that watches over our camp. Mount Monadnock is one of the most climbed mountains in the world. The availability of the extensive trail network on this historic mountain is one of the unique features that set Camp Wanocksett apart from other Scout camps. All trails on the mountain are challenging, but there is one for every age group of Scouts. The 3,165-foot summit offers spectacular views of six states; you can even see the Boston skyline on clear days. Monadnock's 2,000-foot vertical rise offers a rewarding experience for beginning and advanced hikers alike.

Depending on which trails you take, the trip can be completed in about four or five hours. Our Sunset Summit program is held on Tuesday nights, but if you want to host your own hike, accommodations can be made. Units usually leave immediately after lunch, and return by supper. You can request bag lunches or food to cook in your site for supper if you want to allow more time. Units are required to file a hike plan with the Program Director prior to leaving camp.

Camp Operating Policies

Leadership at Camp Wanocksett

The Role of Your Unit Leadership

The Boy Scouts of America runs on adult leadership. Camp Wanocksett provides a high-quality program thanks to those adults who bring their Scouts to camp. BSA policy requires that:

- At least two adults age 21 years or older are present in camp at all times
- Adults accompanying a Scouting unit who are present at the activity must be registered as a leader, including completion of a criminal background check and Youth Protection Training.
 - At your pre-camp meeting, units must submit a copy of their roster generated from my.Scouting.org showing all adults and youth are registered members of the unit.
- All adults must hold a valid certificate of Youth Protection Training

Adults attending camp who currently live in the State of New Hampshire or have lived in the State of New Hampshire at any time in the past seven years must complete a DCYF Third Party Check and submit the results to the camp office during check-in. These requests must be made by the individual and can not be requested by the camp office. Requests must be notarized before being submitted and can take up to three weeks to process.

Additional unit leadership should reflect an awareness of the unit size, skill level, and special needs. Camp Wanocksett strongly recommends a ratio of two adults for up to twenty Scouts, and one additional adult for every ten Scouts past twenty. A leadership roster indicating the anticipated arrival and departure times of all leaders spending time in camp must be left with the camp office, and updated throughout the week if plans change. The Unit Leader is responsible for confirming that each adult has been trained in Youth Protection. Youth Protection Training is offered regularly by Heart of New England Council, and is always available online at my.Scouting.org.

The Role of the Camp Staff

The Camp Wanocksett staff is here to assist you in delivering an exceptional summer camp experience. We have employed highly skilled, well-rounded staff members who are no strangers to the Scouting program and its ideals. Those who provide the Wanocksett Experience are chosen because they believe in Scouting, believe in Camp Wanocksett, and want to make a difference in the life of a Scout.

We will make mistakes and errors in judgment, as everyone does, but they will be honest mistakes. With your help, we will avoid these same mistakes again, and overcome any challenge. Together we can all make this a better experience for the Scouts. By helping, assisting, and accommodating you as leaders, we will not take over your unit, but provide an arena for a fun, safe, and unforgettable summer camp experience.

Arrival & Departure

Arriving at Camp Wanocksett

Each program week, arrival time is between 2:00pm and 3:30pm on Sunday. The gate will be closed before 2:00pm and parents are not to drive to individual sites as the staff will be busy preparing for your arrival. When the gate is open at 2:00pm, parents and leaders can begin entering the parking lot where they will be directed to gear drop off, and then further to parking. Gear will be placed under designated signs in Memorial Lodge to be later driven up to your sites. Unit Guides will be waiting to meet with you and guide your unit through the check-in process:

Check-in Process

- Health Lodge Check In
 - Med Forms Check (Medical forms are required 2 weeks prior to check-in)
 - Medications drop off
- Waterfront Orientation & Swim Checks
- Unit Pictures
- Dining Hall Etiquette/Waiter Orientation
- Campsite Set Up

Our check-in process is always tentative, and the staff works together to keep the process quick, but if your unit needs to be accommodated in any way, it will be done. The Trading Post will be open during arrival times. Uniform parts, Wednesday Night

Barbecue tickets, snacks, cold drinks, and much more will be available to purchase. After check-in, Units are encouraged to nest and get settled in the campsite until our retreat ceremony at 6:00pm Complete BSA uniforms are requested for all evening ceremonies. Dinner is served at 6:15pm, and following dinner is our opening campfire at 8:00pm.

Some tips for an efficient check-in

- Arrive as a unit **at 2:00pm; no earlier**
- Wear swimsuits underneath Class A uniforms, or at least keep them accessible
- Drivers should remain in cars during gear drop off; our staff will handle the baggage while you proceed directly to parking
- Leaders should link up with unit guides as soon as possible
- If your unit is waiting for more Scouts, wait on the OA field to the left of the parking lot, not inside Memorial Lodge
- Be sure to bring copies of your medical forms to the pre-camp meeting

Departing from Camp Wanocksett

Friday, the last full day of program, ends after the closing campfire at 8:00pm Unit guides will be up to your site with merit badge paperwork. Please review this carefully and bring any concerns to the Administration building after breakfast on Saturday. Saturday's schedule looks like this:

- 7:45am - Colors
- 8:00am - Breakfast
- 8:30am - Units return to site to pack up. When the unit is all packed up, notify the staff, and a truck will arrive to transport your gear.
 - Area directors can be found in the Administration building to answer with Merit Badge questions.
- 10:00am - Closing Ceremony on Main Field
 - Here the troops will receive awards and any photographs they ordered.
- 10:30am - Camp Dismissed

Your unit's gear will be in Memorial lodge for pick up. The nurse will return medications at the closing ceremony. The Trading Post will be open for last minute purchases and sales. Please be careful driving home; it will have been a long and fun, yet tiring week.

Camp Wanocksett Services

Dining Services

Dining Services at Camp Wanocksett is committed to excellence in food preparation and presentation. The operating philosophy of the Camp Wanocksett Dining Service is that no one will leave the dining hall with an empty stomach. For over two decades, we have contracted with the Café Services Food Service Company of Londonderry, New Hampshire. Café Services has consistently received rave reviews for their attention to detail and customer service attitude toward the needs of Scout. During the week, we serve three meals a day in the dining hall beginning with Sunday dinner through Saturday breakfast:

- Breakfast at 8:00am following morning Colors
- Lunch at 12:15pm following the end of morning program
- Dinner at 6:15pm following Retreat.

Waiters

Camp Wanocksett uses a "waiter" system in each unit to give Scouts an opportunity to learn and practice sanitary and considerate mealtime habits. Each unit is asked to send two waiters per table to each meal. Waiters arrive at the Dining Hall 15 minutes early to set the table for the meal, serve food to their table and ensure fair portions for all, and clean up following the meal. The waiter responsibility rotates throughout the week so that all Scouts share in this work equally. A certified dietician has approved all meals on the menu to ensure that they provide an optimal level of nutrition and energy. During our pre-camp meeting, we will share with you the menu for your week. A sample menu can be found in the back of this leader's guide.

Camp Menus

The camp menu runs on a two-week cycle. The specific menu that your Scouts and adults will be served will be confirmed at your unit's pre-camp meeting. Changes to the menu take place during the late spring in consultation with the food service director, chef, and camp administration. The menu is approved by a registered dietician.

2022 Camp Wanocksett Leader's Guide

Dietary Restrictions

Camp Dining Services are able to accommodate specific dietary requests of a health or religious nature with sufficient notice. Communication is key; questions about allergies and food restrictions can be directed to info@campwanocksett.org. Once camp opens in late June, the chef and camp director are available to discuss any restrictions. Please contact the camp office to arrange a time for the chef to talk with the Scout and their parents; the camp kitchen is busy around meal times so the chef may not always be available by phone if you call camp.

Special dietary requests for dietary restrictions must be pre-arranged with the chef.

Trading Post

The camp Trading Post stocks various Camp Wanocksett souvenirs such as shirts, hats, mugs, and patches. The Trading Post carries official BSA uniform parts such as shirts and socks, as well as basic camping gear such as flashlights, knives, and mosquito netting. Merit badge pamphlets, craft kits, and other supplies, needed for advancement work, are also available. The Trading Post is perhaps best known for a wide variety of snacks, candy, water, juice, soda, and ice cream.

Trading Post Hours

Sunday	2:00pm – 5:30pm
Monday	3:00pm – 5:30pm and 7:00pm – 8:00pm
Tuesday	3:00pm – 5:30pm and 7:00pm – 8:00pm
Wednesday	3:00pm – 5:30pm and 6:30pm – 8:00pm
Thursday	3:00pm – 5:30pm and 7:00pm – 8:00pm
Friday	3:00pm – 5:30pm
Saturday	8:45am – 10:45am

The Trading Post is open to Scouts only at the times listed above, but adult leaders may enter during the morning periods. Scouts are not allowed into the Trading Post during the mornings, with the exception of Mondays before first period in order to purchase merit badge supplies. Scouts are not allowed to put money "on account" in the trading post. Budgeting and personal management are values that we believe every Scout should learn. Parents, friends, family members, and others can send campers and adult leaders a care package through our online store at CampWanocksett.org.

Postal Mail Service

Each campsite has a designated mailbox in the administration building. Leaders should check these daily for any letters, packages, and care packages ordered by Scouts' families. All outgoing mail can be dropped off at the administration building. Friends, parents, and family members who wish to send mail to their Scout (or adult leaders) should address their letters, postcards, and packages as below. Plan ahead to make sure mail is received at camp by Friday before your Scout departs.

Provisional Camp

Provisional camping ("Provo") is a great opportunity for your Scout to continue the Wanocksett Experience beyond their week with the unit. Scouts who attend camp on a provisional basis work on merit badges, go to campfires, participate in flag ceremonies, and have all the fun that they would with their units. They will attend camp as part of provisional Troop 1 Wanocksett, with Scouts from all over New England. Provo is a very interesting part of the Wanocksett Experience as it is a great way to earn more badges, try out more programs, and meet new friends.

The Provisional unit is led by a Scoutmaster and an experienced leadership team, all of which are trained members of the camp staff. Each Scout stays in a cabin with electricity, is with Scouts their own age, and is with Scouts from their own unit if others are attending Provo that week. There are no age limits to Provisional; Scouts from age 10 – 17 are eligible to attend. It's A GREAT DEAL: A Scout who attends camp with their home unit and then attends a week of provisional is charged a reduced rate for the second, or encore, week of the Wanocksett Experience. To sign up for additional weeks of Camp Wanocksett, contact the Council Service Center, register online at CampWanocksett.org, or see any member of the camp staff during your week in camp.

Remember, you don't need to come with your unit to be a Provo camper. Many Provo campers are from units who don't attend Camp Wanocksett during the summer, but wish to attend a camp with a great program and a quality staff.

Medical Standards

Medical Staff

In compliance with the standards of the Boy Scouts of America, as well as state and local regulations, Camp Wanocksett employs a medical staff to oversee all health needs. In addition to our full-time, on-site registered nurse, we also employ a number of other registered nurses and EMTs on staff to provide additional care as needed.

Medical Forms

Each Scout and adult who attends camp must complete an Annual BSA Health and Medical Record. Copies of this form are included in the back of this guide, or available for download from the camp website at CampWanocksett.org. A medical form is included at the end of this guide.

- Other forms cannot be accepted as your only health form without a BSA medical form attached.
- Scouts and adult leaders must submit a BSA Health and Medical Record that lists a physical within the past 12 months. Medical forms are valid through the end of the 12th calendar month from the date of the physical. (i.e. if a physical was completed on July 8th, the medical form is valid until July 31st of the following year)
- No Scout or Scouter will be permitted to remain in camp overnight without a complete medical form.
- Physical exams are not available at camp.
- Medical forms will be collected at the appropriate pre-camp meeting and will not be returned at the end of camp. NH law requires us to retain the medical forms. Please only submit copies and retain the ORIGINALS, as medical forms will not be returned.
- Medical forms must include a complete immunization record (NH law) not just the most recent immunization in a series.
- Exemption from immunization requirements must comply with both BSA National policy, as well as NH Law. Please contact info@campwanocksett.org for information on the requirements.

A medical examination must be completed, signed, and documented on the health form by a licensed health care practitioner (this includes medical doctors, osteopaths, chiropractors, physician's assistants, and registered nurse practitioners). Please make sure that the contact phone numbers listed on the medical form are valid for that week, and make sure that the immunization record, insurance information, and any new medical information has been updated.

Personal Medication at Camp

All medications, both over-the-counter and prescription medication, must be turned into the camp nurse during the medical check on Sunday afternoon. The nurse will determine what each Scout or adult is allowed to keep on their person during the week. Unless otherwise determined by the nurse, all medications must be stored at the Health Lodge. Important reminders about prescriptions:

- **Must be** in the original container
- **Must only** include the number of pills the Scout needs for the week of camp
- **Must bear** the pharmacy label that shows:
 - Prescription Number
 - Date Filled
 - Physicians Name
 - Directions for Use
 - Patient's Name
- **Must match** the medical provider's order, which should accompany the medical form.
- Orders signed by the medical provider, and the parent/guardian **must** be submitted for the nurse to administer prescription medication. This is found in Part B of the medical form. **Important** – Please check forms and remove any medication orders that will not be given at camp that year.

Insurance

Heart of New England Council maintains an insurance policy, which covers all Heart of New England Council members while in camp. This policy is an excess plan. This means that if your Scout is injured at camp, your personal insurance policy becomes primary for coverage, with the camp insurance picking up any remaining amount. It is the duty of all leaders and Scouts to report accidents to the camp nurse. Out of council units are required to be covered by a similar council policy, be their own unit insurance, or by insurance carried by the individual.

Injuries and Illnesses

All injuries must be reported to the Health Services Director so that appropriate records may be kept. Should an emergency occur, leaders should apply first aid, if appropriate, and then contact the Health Lodge for further assistance for the evaluation of the injury or illness.

Trips to the Hospital

Unit leaders will be responsible for providing transportation for unit members requiring services from a doctor or hospital. Youth Protection guidelines must be followed. If the unit is unable to supply both adults required under the Youth Protection guidelines, then a member of the staff will be utilized for this purpose. If the unit cannot supply an appropriate vehicle, a camp vehicle or staff vehicle may be used. The leader must take the injured member's health form, first aid kit, and fire extinguisher in the vehicle. Directions to the hospital are available from the Health Lodge.

Accommodating Individual Needs

The Camp Wanocksett Staff is fully committed to including all Scouts in every aspect of the summer camp program. Often, meeting the needs of all campers requires minor adaptations of our facilities, staffing, and instructional plans. Special menus, one-on-one instruction, accessible campsites, individual counseling, and other provisions are available for Scouts or leaders because of physical disabilities, learning disabilities, medical conditions, dietary requirements, religious practices, or other special needs. Unit leaders should contact the Camp Director well in advance to outline the specific needs of Scouts and leaders in their unit.

Camp Safety Policies

General Rules

Buddy System

The buddy system is an effective tool that can be used to not only increase the fun that a Scout can have at summer camp, but also increase the level of safety. The buddy system is not only for the waterfront, but extends to all aspects of the summer camp program. We will be vigorously encouraging the use of this system by all Scouts at camp this summer. Scouts need to travel between programs, events, and activities with at least one buddy.

Emergency Procedures

A camp that is well prepared has few emergencies. Should one arise, it is very important that all people react calmly and efficiently so as not to spread panic. When a Scout or Scouter hears the camp siren, they must quickly, but safely, travel to the Order of the Arrow Field and form by unit to take attendance.

Fire Alarm Boxes

If a Scout or Scouter sees a fire, they must head towards the nearest firebox, pull the lever and then proceed to the Administration Building to report the fire to the person in charge. The fire alarm boxes are located at the: Dining Hall, Health Lodge, Administration Building,

Aquatics Tower, and Trading Post.

Campsite Fire Safety

All fires in campsites must be kept contained within designated fire rings and appropriate fire fighting equipment must be readily available prior to any fire being lit. No flames will reach more than 5' from the ground and only appropriate materials will be used. All unnatural materials and accelerants are prohibited. Adult supervision is required at all times. The camp ranger and/or local fire warden may amend or restrict these rules at any time.

Personal Firearms & Bows

Scouts and Leaders are discouraged from bringing their personal firearms and bows to Camp Wanocksett. However, if one seeks to bring these items to camp, the Camp Director must be notified prior to its arrival. These items must be checked at the Administration Building during arrival and will remain stored in locked buildings during your stay at camp. The Shooting Sports Director has the authority to not allow equipment to be used if it is deemed unsafe. Their decision is final. The only personal items allowed are rifles, shotguns, and bows. Law enforcement not on duty must lock their firearm in their locked vehicle.

Animal Control

Animals, chiefly raccoons and skunks, may be attracted to your campsite at night if food or food wrappers are left out to attract them. These animals can quickly become a nuisance. Animals shouldn't be encouraged by feeding or leaving food out.

Domesticated Animals

Domesticated animals (dogs, cats, etc.) are not to be brought to camp by Scouts, leaders, or visitors with the exception of service animals.

Road Crossing

Scouts are asked to refrain from crossing the road except at existing locations for the Scouts' safety. Scouts and units are also reminded to not march down either road and instead use camp trails.

Showers

A centrally located shower house provides hot water showers for all. Scouts using the showers must have responsible supervision from adults in the unit. Youth Protection guidelines must be followed at all times.

Quiet Hours

A Scout is courteous and kind. After 9:00pm and before 7:00am, all Scouts and Leaders are expected to observe quiet hours. Campsites are often within close proximity to one another and sound can often carry well.

Personal Bicycles

Scouts and leaders may bring their bicycles with them to camp. Upon arriving at camp, please inform your unit guide. We may lock it for safekeeping during your unit guide.

stay at camp. Bicycles can only be used for the Lucien Theberge Triathlon as well as bike rides scheduled by the staff. Use of bicycles within camp to ride between program areas and campsites or as general transportation is not allowed.

Lost & Found

Lost items are often turned into the camp staff and we do our best to return all items to whom they belong. Small and valuable items will be kept under lock and key in the camp office. Larger items such as clothing, backpacks, and similarly sized items will be held in the general Lost & Found next to Memorial Lodge in the Parking Lot.

Prohibited Items and Unacceptable Behavior

Drugs and Alcohol

The Boy Scouts of America prohibits the use or possession of alcoholic beverages (including low-alcohol beverages) and controlled substances at encampments or activities on property owned and/or operated by the Boy Scouts of America, or at any activity involving participation of youth members. This includes all illegal drugs in the State of New Hampshire, including marijuana, and THC. Possession or use on camp property will be cause for removal. Camp management will not hesitate to involve local law enforcement as necessary and will remove the party from the property.

Aerosols

The use of aerosols in and around tents is strictly prohibited. Aerosol propelled insect repellants damage the tent canvas and can also adversely affect some campers' lungs.

Mobile Phones

Mobile Phones are NOT allowed in the general areas of camp where Scouts from different units interact. In the unit campsite they are recommended to not be allowed, though usage is at the discretion of the unit leader. Adults that need to use them are requested to use them out of sight of the Scouts and down in the parking lot area. Mobile phones detract from the outdoor experience of Scouting and can complicate issues of homesickness.

Cutting Trees

One of the things that makes Camp Wanocksett magnificent is the abundance of mature tree growth on its property. No living or dead trees are to be cut without specific permission of the Camp Director or Ranger. A \$15 per inch diameter or \$100 penalty, whichever is greater, will be enforced. Importation of firewood from outside of Camp Wanocksett is prohibited per the Heart of New England Council Board of Directors. This assists in the prevention of invasive species, including the Asian Longhorned Beetle and Emerald Ash Borer, from destroying our mature trees. Ample firewood can be found around your campsite in the form of fallen dead wood, and a limited supply of split cordwood is available at the maintenance shop.

Fireworks

Possession or use of fireworks in camp is prohibited and is cause for removal.

Fuels

Flammable liquids are generally prohibited from use in camp. This includes fire-starting liquids and gels. No flames of any type are to be used inside a tent. It is the responsibility of the adult leaders to ensure that any excess fuel that is not currently attached to a stove or lantern is stored in the fuel storage shed located in the ranger's maintenance area. Do not dispose of used fuel canisters in a campfire, as the heat may cause them to explode.

Hazing

Harassment and hazing of any type from Scouts, leaders, staff and visitors is prohibited at TVSR. This includes, but is not limited to verbal, physical, sexual, initiations, etc. All local, state and federal laws will be enforced. Persons found to have engaged in such will be removed from camp immediately and proper authorities notified. Withholding knowledge of hazing is considered to be an equally serious offense. Any violations must be reported to the Camp Director, who is obligated to report information to the Scout Executive.

Sheath Knives

Sheath knives are not to be carried by campers or leaders. For all other knives, the rule of thumb is that if it is bigger than your hand, it does not belong in camp. Units may enforce more stringent standards consistent with their program.

Smoking

Smoking is prohibited on Camp Wanocksett property per order of the Heart of New England Council Board of Directors. Smoking is permitted on the public road by the main parking lot, out of sight of the campers.

Youth Protection

Camp Wanocksett and Heart of New England Council adhere to all Youth Protection guidelines of the Boy Scouts of America.

Summer camp is an important part of the program of the Boy Scouts of America. The outdoors are the ideal environment for developing citizenship, character, and fitness, the core goals of Scouting. It is also at camp that the responsibility for caring for Scouts becomes a 24-hour-a-day duty.

In meeting your leadership responsibilities, you may be confronted with situations alien to your experience. Child abuse is one such situation, and regardless of your background, you are responsible for the physical and emotional safety of the Scouts in your care. Child abuse is the injury of a child by an adult or older child, which might not be intentional, but is not accidental. It is usually classified as physical, emotional, or sexual abuse. IF A CHILD REPORTS BEING ABUSED, OR IF YOU SUSPECT ABUSE, CONTACT THE CAMP DIRECTOR IMMEDIATELY. DO NOT DISCUSS THE

MATTER WITH OTHER SCOUTS OR LEADERS. The following barriers to abuse within Scouting are used at camp to ensure the safety of our youth campers.

- Two deep leadership is required at all times.
- Each adult who enters onto camp property for the purpose of assisting the unit and/or will be exposed to Scouts must have completed the BSA Youth Protection Certification Training.

- Adult leaders must respect the privacy of youth members in situations such as changing clothes and taking showers at camp, and intrude only to the extent that immediate health and/or safety issues are at risk. Adults must protect their own privacy in similar situations.
- No secret organizations are allowed in the Boy Scouts of America. All aspects of the program are open to observations by parents and leaders.
- Appropriate attire: Proper clothing is always required; e.g., skinny-dipping is not appropriate in Scouting.
- Physical hazing and initiations are prohibited and may not be included as part of any Scouting activity.
- Constructive discipline must always be used in Scouting. Corporal punishment is never allowed.

These youth protection policies are National Camp Accreditation standards. Please review them carefully. Your cooperation is greatly appreciated.

Adult Behavior

Adults must be conscious of their behavior while they are in camp. Yelling, verbal abuse, or other inappropriate actions/behaviors will be grounds for removal from camp.

Scouts Leaving Camp

Scouts leaving camp for any reason must be accompanied by an adult leader, and parent/legal guardian, and must sign out at the Administration Building. The medical forms must include the names of anyone other than the parent or legal guardian who is authorized to remove the Scout from camp, or the person picking up the Scout must show a notarized letter signed by the parent or legal guardian

giving permission for the person to pick up the Scout. The camp office will also ask for a photo ID for positive identification.

Intrusion of Unauthorized Persons

- Leaders should stop into their campsites throughout the day, noting anything out of the ordinary.
- All visitors must report to the Administration Building to sign-in and sign-out. This book will be monitored by the Camp Administration.
- All adult leaders who are staying at camp for any length of time, and/or will be in contact with a Scout, must receive either a visitor's pass from the Camp Administration or be wearing a weekly Camp Wanocksett leader's badge.
- If an unauthorized person is suspected, the nearest staff member must be notified. The staff member will make contact with the camp office, and stand by to give or receive further instruction.
- The camp office will notify the Camp Director who will proceed with another administrator, or other adult to question the destination of the individual in question.
- Camp program will continue unless the Camp Director, or their designee, determines the situation warrants a camp wide emergency assembly, which would be signaled by the siren.
- An assessment is made to the severity of the problem, and the need to call the police. The Scout Executive is notified of the situation.
- Leaders should train their Scouts in the above procedures. Most importantly is that Scouts do not approach the person in question; rather, they are to find an adult immediately.
- The buddy system is enforced at all times.

Verification of No-Shows

If a Scout listed on a unit roster fails to show up at camp, the camp administration must verify the reason for their absence. Unit leaders must also report, for verification, any additional names of Scouts not listed on their pre-submitted rosters who were supposed to be attending. The Camp Administration will telephone each Scout's home to ensure that their parents or guardian know that their Scout is not at camp.

Camp Staff / Counselor in Training Program

One of the key contributors to the Wanocksett Experience is the camp staff; the dedicated men, women, and youth who spend their summers working to ensure every unit in camp has the richest experience possible.

Counselors in Training (CITs) and camp staff positions are available each season to qualified Scouts, Scouters, and skilled adults among a wide variety of administrative, program, and support functions. Camp Wanocksett is always looking for new Counselors in Training to ensure the quality of the Wanocksett Experience for years to come.

This program is for those Scouts who will be at least 14, but not older than 15, at the start of the camp season and have not participated in the program before. It includes a program of training for your older Scouts that not only prepares them for camp staff, but also makes them stronger leaders for your unit. Song leading, merit badge counseling, program instruction, safety awareness, leadership essentials and more will be taught over a three-week period.

Each CIT will attend Staff Week for training with the whole camp staff prior to Week 1, and then will spend three weeks at Camp Wanocksett during the summer (scheduling is flexible). CITs have the ability to take up to 3 merit badges during their program, and get to participate in special CIT only programs including kayaking, hikes up Monadnock, and bike rides. An online application is available for the CIT program at CampWanocksett.org. Applications open in early January and close in mid-April. For more information, please contact the CIT Director (cit@campwanocksett.org).

Camp Staff positions are applied for in the fall of each year, with interviews during school holiday breaks in November and December. Applications for Camp Staff are available online at CampWanocksett.org.

The Camp Wanocksett Wish List
