

Set-up Instructions for RIO Adventure Compact Expandable Table

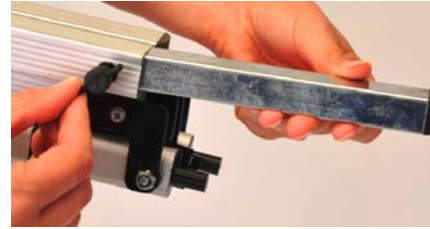

STEP 1: Be sure you have one (1) frame and two (2) table tops, as shown.

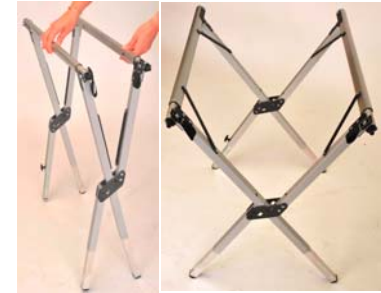

STEP 2: Unfold legs so feet point down toward the floor.

STEP 3: Press the buttons to extend the other three (3) telescopic table legs. Legs will snap once in fully-extended position.

STEP 4: Extend the telescoping table leg. Use nut to loosen and tighten. Adjust to ground slope after table is set up. **Please note there is one (1) adjustable telescoping leg.**

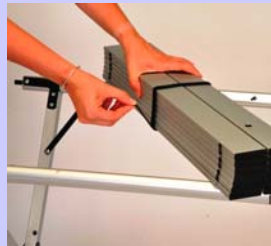

STEP 5: Splay the frame open.

To use the 27.5" x 28.5" table top only

STEP 6: Lock all four (4) corner braces.

STEP 7: Open the LARGER of the two table tops.

STEP 8: Begin unrolling the table top slats at one end of the frame until it completely flat.

STEP 9: Fold the end slats over each end and secure by sliding the nubs through the holes.

STEP 10: Attach the two hook-n-loop tabs on the undersides of the table.

To attach a handled trash bag:

Locate the hook-n-loop straps on one side of the table top. Be sure they are centered in between the nubs (they slide easily into place). Thread each hook-n-loop strap through each of the bag handles (shown in Figure 1) and reattach the straps on the underside of the table top (shown in Figure 2).

Set-up Instructions for RIO Adventure Compact Expandable Table (continued)

Please note: To create a 48" x 27.5" table from a 28.5" x 27.5" table, you must FIRST remove the 28.5" x 27.5" table top.

Follow **STEPS 1 through 4**. Use the nylon loops to pull and extend the frame until it stops sliding.

STEP 5: Splay open the frame and lock all four corner braces.

STEP 6: Unroll both table tops onto the frame. Match the table top letters (A or B), found under the slats, to the corresponding frame letters (A or B) as shown in Figure 3, right.

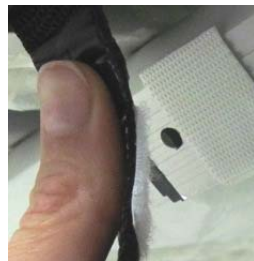

Figure 3

STEP 7: Marry the table tops using the rivets and sockets.

STEP 8: Fold the end slats over each end and secure by sliding the nubs through the holes.

STEP 9: Attach the two hook-n-loop tabs on the undersides of the table.

TO FOLD AND STORE:

- Follow steps in reverse order.
- Wrap the closure straps around table top sections and secure with hook-n-loop.
- Place contents into carry bag.
