

Electronics Policy

Rules:

- Smart/cell phone may be carried by Scouts and leaders at all times, but should only be used when absolutely necessary (e.g., emergency calls), or for Scouting purposes (e.g., compass, GPS, checking Scoutbook, calling Scouts, etc.).
- Other electronics (tablets, gaming devices, etc.) should not be brought to Scout meetings or events.

Enforcement:

If an electronic device is being used against the above rules by a Scout or leader:

1. He will be asked to put it away.
2. If it is seen being used again, he will be warned that it will be confiscated if used again.
3. If it is seen being used a third time, it will be confiscated until the end of the meeting or event.

This policy was developed by the youth members on April 30, 2013 and approved by the Troop Committee on May 7, 2013.
